ACKNOWLEDGEMENTS

I express my sincere gratitude to my guide Dr. Ashwini Kulkarni, Scientist-E, Indian Institute of Tropical Meteorology, Pashan, Pune who very patiently untwined the string of problem connected with my research work and encouraged me to overcome the obstacles blocking my path. I am thankful to Dr. M. Rajeevan, Director, I.I.T.M, Pashan, Pune for providing all necessary facilities to carry on my research work.

Thanks are also due to the RF/RA committee members Dr. G. Beig, Dr. A. K. Sahai, Dr. A. Suryachandra Rao, Dr. H. P. Borgaonkar, Dr. Thara Prabhakaran, Dr. Devendraa Siingh and Dr. P. Mukhopadhyay for their valuable suggestions to improve the research quality.

I take this opportunity to express my feelings towards my family members - my parents (Mother: Kalpana and Father: Late Bhalchandra), wife (Hemalata), daughters (Harshada and Richa) and brother (Subhash) for they never let me feel any domestic pressure.

I am thankful to Dr. S. G. Narkhedkar, Dr. C. G. Deshpande, Dr. S. K. Patawardhan, Shri. S. S. Sabade, Shri. S. P. Ghanekar, Shri. M. D. Chipade, Shri. P. W. Dixit; and Shri V. V. Deokar for giving me moral support and all kind of help during this research work. Last but not the least, I thank all my friends, colleagues and experts of IITM for many useful discussions and help during the course of this research.
