ACKNOWLEDGEMENTS

To pursue research in the field of taxonomy was my dream and my long time ambition. The God almighty showered the generous blessings upon me which strengthened me and gave wisdom to do this work, so as to accomplish my dream. I prayfully thank the holy trinity for the generous blessings.

With the inspiration and encouragements of many, it became a reality. I thankfully acknowledge all the people for helping me in doing the research. I express my profound sense of gratitude to my mentor Dr. T. C. Narendren for his unfailing guidance, valuable advices, intellectual inputs and constant encouragements. I came into taxonomy after being his SRF of IASc. It was by his constant motivation that I undertook the research in the field of Taxonomy.

I feel privileged to express my deep and sincere gratitude to Dr. K. A. Karmaly for her intellectual supervision, guidance and valuable suggestions during my work. Her understanding, encouraging nature and personal guidance were always helpful in the compilation of the thesis. I also thank Rev. Sr. Reethama, Principal of St. Xavier’s College for Women, Aluva, Rev. Sr. Percy, former Principal of St. Xavier’s College for Women, Aluva and staffs for providing the facilities to carry out the research activities.

I express my deep sense of gratitude to Rev. Dr. Johnson X Palakapilly, Principal, S. H. College, Thevara for moral support and encouragement. I am also thankful to Dr. Samson David, Head of the Department of Zoology for his kind help, co-operation and support.
I am deeply indebted to Dr. V. P. Uniyal, Scientist- E, Dr. V. K. Uniyal, Scientist- F, Wildlife Institute of India, Dr. V. V. Ramamurthy, Principal Scientist, IARI, New Delhi, Dr. Sudhir Singh, Scientist E, FRI Dehradun and to Dr. Himender Bharti, Punjab University for the valuable suggestions and also providing me the research articles and papers. Also thankful to Dr. C. Radhakrishnan (former director of ZSIWGRC), Dr. K. Rajmohana, Dr. P.M. Sureshan and Dr. Md. Jafer Palotil of ZSIWGRC for helping me during my research period. I also thank the director of KAU Kasargod, CPCRI Kasargod, CTCRI Trivandrum, TBGRI Trivandrum, AAralm farm Superintendent for permitting me to collect the sample specimens from the campus. I also thank the tribals and foresters who assisted me during my sample collection.

Sincere thanks to Wesley Datilo, Ph.D. student, Universidad Veracruzada, Mexico, Dietrich Gotzek, University of L.Linois, Urbana, USA, Rodrigo M Feitosa, Museu de Zoologia da USP, Brazil, Daniel Schaber, University of Vienna, Austria for sending me the valuable research articles and providing relevant reprints of their important publications whenever I needed.

I would also like to thank Kerala State Council For Science Technology and Environment, Trivandrum for providing me the fellowship for pursuing research activity.

Special thanks to Research scholars of ZSI, Cslicut, Nikil Kizhakedath who spend his valuable time in imaging the specimens and to Ms. Meenu who took care of my specimens.
I warmly thank all my friends, Ms. Sandya Vincent, Mrs. Vidya V. T, Mrs. Baaby Job, Mrs. Remya, Mrs. Shahina P. M, and Mr. Rabeesh T. P for providing the timely help and for successful compilation of present work. I am highly thankful to Mr. Ajil S., who designed and done page settings for my Thesis. I also thank Ebenezer Press, Ayyanthole for doing the printing and binding work.

I graciously thank Dr. P. Lakshmi Devi Menon, St. Xaviers College for Women, Aluva and Dr. Sudheer K, Associate Professor, The Zamorins Guruvayurappan College, Calicut for going through my thesis and providing the valuable suggestions during the thesis preparation.

I express my gratitude towards my parents, parents-in-laws, my brother Praveen John and to my sister-in-law Sini M Mathew who lend their support during the research period. My heartfelt gratitude to my husband for his kind understanding, endurance and support given to me. Thanks to my family who are responsible for making me what I am today. Without their support, nothing would have been possible. They have always been a constant source of encouragement, guidance, support and unconditional love.

Presty John
