ACKNOWLEDGEMENT

I, with great pleasure, like to express my indebtedness, deep gratitude and heartfelt thanks to my esteemed research supervisor Dr. K. Duraiswamy, Professor, Department of Computer Science and Engineering, K.S.Rangasamy College of Technology, Tiruchengode for enabling me to work on my thesis. I like to thank him for his excellent guidance throughout the course of this research work. His comments and suggestions have been of great help in the preparation of the thesis. His constructive suggestions were of great help in compiling this work and bringing it to the final shape. I thank him sincerely.

I like to thank Dr. K. Thyagarajah, Principal, K.S.Rangasamy College of Technology, Tiruchengode and Dr. L. Shanmugalakshmi, Associate Professor, Government College of Technology, Coimbatore for their valuable suggestions, discussions and encouragement on my research work.

I place on record my sincere heartfelt thanks to Lion Dr. K.S. Rangasamy MJF Chairman, KSR Educational Institutions for the support and facilities given to me to complete this research work. I like to thank all of my family members, my colleagues and friends for their kind co-operation and support throughout my research work.
