ACKNOWLEDGEMENT

The Researcher wishes to place on record the sustained guidance given by his Research Guide Prof. S. Ganesan. But for his counseling, the research work could not have been carried out as the researcher has undergone three transfers. The work is dedicated to him.

The Researcher thanks Prof. S. Kaliamoorthy, Director, Alagappa Institute of Management, Alagappa University, Karaikudi for his support and blessings in carrying out this work.

The Researcher also thanks the various scientific organisations who have provided the Performance Appraisal System of their respective Organisations without which the study could not be completed.

The Researcher also thanks the scientists of National Institute of Oceanography, Indian Institute of Petroleum, Indian Toxicology Research Centre, Central Leather Research Institute and Central Electrochemical Research Institute who have participated in the survey.

The research has been carried out at Indian Institute of Petroleum, Dehradun, National Institute of Oceanography, Goa and at Central Electrochemical Research Institute, Karaikudi. The Researcher expresses his heart-felt thanks to Computer/ Internet Services of these Laboratories.
The Researcher wants to thank the Computer Section/Division of National Institute of Oceanography, Goa for providing graphs and information formatting. **Dr.S.G. Dalal** deserves special mention for support in statistical analyses.

The Draft Report has been prepared with the help and assistance of many colleagues and well-wishers. **Ms. Reena** of Indian Institute of Petroleum, Dehradun, **Ms. Maria Gorette** and **Ms. Sunita Shettigar** of National Institute of Oceanography, Goa, **Mr. Irulan Sakthivel** and **Mrs. R.M. Vijayalakshmi & Mr. B. Ravikumar** of Central Electrochemical Research Institute, Karaikudi have contributed. **Dr.T. Premkumar** and **Mr. J.R. Gopalakrishnan** of CECRI have corrected the draft. The Researcher thanks their effort whole heartedly.

Finally, the Researcher thanks his family members who have constantly supported him in doing the research work and stood by him during his transfers and acclimatization in different parts of the country.
