ACKNOWLEDGEMENTS

I am greatly indebted to Jeevan Raksha Prof. R. Sethuraman, Vice Chancellor, SASTRA University, whose motivation and persuasion have been mainly instrumental in completing this study, virtually dropped long back, revived and completed at the behest of the esteemed Vice Chancellor.

I am grateful to Prof. K. G. Seshadri, Dean, Humanities and Sciences, SASTRA University for his sustained encouragement and inspiration.

Words fail me when I try to express my gratitude to Dr. S. Mohan, my research guide for his scholarly guidance and valuable suggestions. He was, in fact, a friend, philosopher and guide who aroused me from my deep slumber and changed me from a prisoner of procrastination into an active researcher.

My heartfelt thanks to Dr. M. Suriya, Professor and University Librarian, Department of Library and Information Science, Annamalai University, Chidambaram for her support and valuable suggestions.

I am grateful to Dr. R. Dhandapani, former Registrar, Alagappa University, Karaikudi for his keen interest in my completing this study.
I record my sincere thanks to Dr. M Nagarajan, Professor and Head, Department of Library and Information Science, Annamalai University, Chidambaram for his expert advice.

I am thankful to Dr. Gunasekaran, Principal, Vivekananda College of Education, Tirupathur, for his catalytic role.

It is my duty to thank my dear daughters – J. Vidya, J. Bhuvana and J. Meenakshi - for their excellent support especially, in the statistical computations and documentation.

My special thanks to my beloved wife J. Seethalakshmi for her patience and moral support.

I bow down before His Almighty for His benign Blessings.

My prayers to my mother who has been guiding me and blessing me and my family in all our endeavours from her Heavenly Abode.
