List of Tables

**Table 3.1**  Dielectric constant of the Ag doped sample at selected frequencies

**Table 3.2**  Power law parameters Ag doped sample

**Table 3.3**  Cole–Cole parameters Ag doped sample

**Table 3.4**  Dielectric constant of the ZnO doped sample at selected frequencies

**Table 3.5**  Power law parameters ZnO doped sample

**Table 3.6**  Cole–Cole parameters ZnO doped sample

**Table 5.1**  Optimized tape casting slurry composition
