ACKNOWLEDGEMENT

This work owes immensely to Dr. S. Sivaramakrishnan, Reader, Alagappa University College of Physical Education, Alagappa University, Karaikudi, a guide par excellence and a remarkable teacher. Due to his guidance, I could make constant progress and but for his encouragement, the work would not have made much headway. Therefore, words are poor tools to express my indebtedness to him.

I am very much grateful to our beloved correspondent, Sri. V. A. Kodiswaran, and our Principal, Dr. G. Sivasubramanian, Ayya Nadar Janaki Ammal College, Sivakasi, for permitting me to register and undergo Doctor of Philosophy.

For the many valuable discussion of both the conceptual and formal aspects of this study, I am most grateful to my teachers Dr. G. Ravindran, Professor, Department of Physical Education and Sports Sciences, Annamalai University, Chidambaram, Dr. S. Bevinson Perinbaraj, Reader, Alagappa University College of Physical Education, Alagappa University, Karaikudi.

I am deeply indebted to Dr. V. Ganesan, Head of the Department, Post Graduate Department of Botany, Ayya Nadar Janaki Ammal College (Autonomous), Sivakasi, for his valuable suggestions and help.

I also acknowledge, with all humility and deep gratitude, the assistance and encouragement given by Dr. A. S. Nageswaran, Lecturer in Physical Education, Health Education and Sports, The H. H. Raja’s college, Pudukottai.

I am immeasurably indebted to Dr. S. Marimuthu, M.B.B.S., D.C.H., Saravana Hospital, Dhalavaipuram and Dr. C. Suresh Graham, M.B.B.S., MS, Chandra Graham Medical Foundation, Sivakasi, for their fruitful suggestions and other technical aspects.

I express my sincere gratitude to Mr. K. Baskaran, Director of Physical Education, S. B. K. College, Aruppukottai, Mr. B. Sadasivan, Director of Physical Education, Rajapalayam Rajus’ College, Rajapalayam, and Mr. J. Billy Graham, Director of Physical Education, Mepco Schelenk Engineering College, Sivakasi, for permitting me to collect blood samples from their players.

I also express my thanks to my colleagues Mr. P. Ganesan, Director of Physical Education, Mr. A. Johnson, Head of the Department, Mr. K. Murugavel,
Mr. P. Sureshbabu, Mr. P. Kulandaivelu and Mr. V. Jeyaveerapandian, Lecturers, Department of Physical Education, Health Education and Sports, Ayya Nadar Janaki Ammal College (Autonomous), Sivakasi for their help in collecting the reviews.

The study could not have been successfully completed without the help extended by Mr. K. Muthukaruppasamy, Lecturer in English, Ayya Nadar Janaki Ammal College (Autonomous), Sivakasi.

I am very much thankful to Dr. L. Mahenthran, Majestic Immuno-diagnostic Center, Arapalayam, Madurai for analysing the blood samples.

My special acknowledgement goes to Dr. S. Sivaramakrishnan, the guide who helped immeasurably in defining his effort and gave structure for the language part of this thesis.

I extend my thanks to Mr. P. Ulaguvel, Saraswathi Computers, Tiruchendur who displayed exceptional professionalism in analysing the data.

I must confess that I was truly overwhelmed by the spontaneity with which subjects of S.B.K. College, Aruppukottai, Rajus’ College, Rajapalayam, Mepco Schelenk Engineering College, Sivakasi and Arasan Ganesan Polytechnic, Sivakasi, who come forward to assist voluntarily and for their whole hearted support to me in this endeavor.
