Acknowledgements

My heart rejoices with gratitude to Almighty God for enabling me to bring this thesis to its successful completion. In the preparation of this work I was helped by many. First and foremost, I gratefully remember my supervisor, Dr. M.M. Mathew, Reader, Department of Political Science, Mar Thoma College, Thiruvalla. His wise and scholarly direction and solicitous availability contributed greatly for the completion of this work. He has always been a source of inspiration and has constantly encouraged me in taking up this challenge and completing it. His great patience and wisdom have stood me in good stead. I appreciate very much and express my deep and sincere gratitude for the time and energy he devoted in giving me valuable corrections and suggestions.

I have been fortunate in availing the guidance of a host of scholars in pursuing this study. I am greatly thankful to Dr. P.O. Augusthy, Professor of Botany, St. Thomas College, Pala. I owe my gratitude to Mr. Antony John, Development Officer, Rubber Board, Kottayam for his valuable comments. I am deeply indebted to Fr. Mathew Kurian, Assistant Professor, St. Thomas College, Pala for his valuable comments. I greatly fully remember Dr. Baby Sebastian, Principal, St. George College, Aruvithura in sketching and developing the work. I thankfully acknowledge Dr. K.K. Jose, Principal, St. Thomas, College, Pala, Fr. Joseph Njarakkattil, Vice Principal, St. Thomas College, Pala and Fr. Jose Joseph, Assistant Professor, Alphonsa College, Pala, who provided me with several valuable suggestions. I gratefully remember Dr. Jose Pariyath, Associate Professor, Deva Matha College, Kuravilangad for his continuous and unstinting support.

Data analysis and statistical work of the study was completed with the support of Dr. Seemon Thomas, Associate Professor, Department of Statistics, St. Thomas College, Pala. Prof. Mathew Sebastian, Department of Politics, St. Thomas College, Pala, Dr. K.K. Jose, Head of the Department of
Politics, St. Thomas College, Pala have helped me in various ways in the completion of this work. I also remember with a deep sense of thankfullness all my fellow teachers in the Department and College, who have always been a source of success and support throughout this endeavour.

I gratefully remember the staff of the library at the Centre for Development Studies, Thiruvananthapuram, Kerala University Library, Thiruvananthapuram, M. G. University, Library, Kottayam and St. Thomas College, Library, Pala for their support in collecting the materials.

The word processing part of the work was done by Guru D.T.P. Centre, Pala and Minitek Computer, Athirampuzha. I am greatly thankful to them.

I would like to take this opportunity to express my gratitude to the Chairman, University Grants Commission (UGC), New Delhi, for awarding me the Research Fellowship for two years under the Faculty Improvement Programme (F.I.P) of the XI Plan period to complete this work.

I acknowledge with gratitude the support given by the Bishop, Manager and Management of Alphonsa College, Pala which has always encouraged and motivated me to pursue the research earnestly and untiringly.

I record my deep sense of indebtedness to my parents, Late John and Mrs. Mary John, my brothers and friends, all of whom have always showed great enthusiasm in my studies and have stood with me in completing the work.
