ACKNOWLEDGEMENT

I pray God Almighty for His Grace which was the greatest support in this endeavour.

I would like to place on record my profound sense of gratitude to my Supervisor Dr. R. KARPAGAKUMARAVEL, Professor and Head, Department of Educational Technology, Bharathidasan University, Tiruchirappalli and my Co-Supervisor Dr. S. MOHAN, Professor and Head, Department of Education, Alagappa University, Karaikudi, for their able guidance, meticulous supervision, constant motivation and constructive suggestions throughout the period of research.

I am very much thankful to Mr and Mrs. B.K Arora, the President and Vice President of L.K.S.E.C, Gotan, Rajasthan, for extending their kind permission to conduct this study in their Institution. I am also thankful to the Principal, Staff and students of L.K.S.E.C, for their help during the planning and execution of my experiment.

Dr. A. Ramaswamy, Head Master, L.K.S.E.C, Mr. Rajiv Sharma, Environmental Officer, J.K.White Cement Works, Ms. Usha Chander, Research Officer, Gyan Darshan TV, Dr. Parimala, Lecturer, Delhi University and Dr. Rajendran, Reader, Chennai University, deserve my special thanks for their reviews and valuable suggestions during the course of this experiment. I appreciate Mr. Hari Om Sharma's contribution during the development of the tools and Ms. Anne Mary Francis and Mr. Rajesh’s immense help in conducting the experiment.

I am highly indebted to Dr. Stephen R Kellert, Professor, Yale University, USA, who sent the necessary tools on which basis the tools of the present study
were developed and to the US General Accounting Office for sending the various manuals related to Programme Evaluation. Ms. Hansa Solanki of UK Open University also deserves my gratitude for sending many research reports.

For my project work, I have extremely utilized the library services of NCERT, Jamia Millia Islamia, IGNOU, Dayal Singh Library and Indian Institute of Technology, New Delhi. I record my special thanks to them. I acknowledge with thanks the hard and sincere work put in by Mr. S. Lakshmanan of Annalakshmi Screens, Kannadasan Nagar, Chennai for a neat presentation of the report.

I am extremely thankful to Mr. Omkar Singh Tokas, Mr. S.Kalyanasundaram and the family members of Mr. P. Kannan, for providing me the moral support whenever I needed it.

My heart goes out in emotional reverence to my parents who have always been my pillars of strength in all my endeavours. My brothers and family members have contributed in no small measure for the completion of this project, standing by me in all times of stress and strain.

My little daughters Soundarya and Subhiksha were the constant inspiration for my project work, without which this work could be just impossible. It was my deep observation of my little daughters watching Discovery Channel with interest, which gave me the idea to take up this project.

There are many people, whose help was immense during the execution of this project, but their names not mentioned here due to paucity of space. I am extremely thankful to those unsung heroes and I beg for their pardon.
