ACKNOWLEDGEMENT

I express my deep sense of gratitude and respect to my Guide and mentor Dr. K. Thangavel, Scientist, Concrete Structures and Failure Analysis Group, Corrosion Science & Engineering Division, CECRI, Karaikudi, for his valuable suggestions, able guidance, constructive criticisms and scientific temper. He has inspired and instilled confidence and provided the impetus to go ahead and accomplish throughout the course of this program.

I am extremely thankful to Dr. M. Raghavan, Director, CECRI, Karaikudi for his permission and encouragement to carry out the work in this Institute.

My sincere thanks are due to Dr. T. Vasudevan, Professor and Head, Industrial Chemistry Department, Alagappa University, Karaikudi who as my Co-Guide has always been a pillar of support at various stages.

My special thanks are due to Sri. S. Srinivasan, Scientist & Head, Concrete Corrosion and Failure Analysis Group for his continuous support, encouragement and guidance.

It is my pleasure to thank Dr. N. S. Rengaswamy, (Former Head, Corrosion Science & Engineering Division) CSIR Emeritus Scientist, CECRI, Karaikudi for his elaborate and useful discussions, and his help in the final report preparation. He also gave his valuable guidance and constant encouragement, which kept me going further and further.

I extend my sincere thanks to Dr. S. Muralidharan, Sri. G. T. Parthiban, Sri. K. Kumar, Sri. R. Selvaraj, Sri. K. Saravanan and Mrs. R. Vedalakshmi, Concrete Corrosion and Failure Analysis Group for their help, suggestion and criticism during the experimental work and thesis writing.

I would like to express my special thanks to Dr. G. Venkatachari, Sri. D. Jayaperumal and Dr. C. Marikkannu for their help in carrying out Electrochemical measurements and valuable suggestions.
My sincere thanks are due to Sri.G.Gurusamypandian, Sri.K.R.Muthu, and Sri.S.Jeyaponjian, Concrete Structures and Failure Analysis Group for their help in casting the specimens.

Sri.S.Ramu, and Sri. RM.Kalyanasundaram for their help in taking SEM Fractography.

I would like to express my special thanks and appreciation to Mr.R.Baskaran, SRF for his neat and prompt secretarial assistance.

I am very much thankful to the members of Corrosion Science & Engineering Division, Glass Blowing, Xerox, Library, Photography, Workshop, Security and Administrative staff of CECRI, Karaikudi, for their whole hearted co-operation in carrying out this study.

Finally my special thanks are reserved for my husband Dr.D.Karunakaran and my sons Master.K.Alfred Deva and Master.K.Agasthia, only their co-operation and sacrifice make me to achieve this task in a satisfactory manner.
