ACKNOWLEDGEMENT

Without Him nothing has its being. Therefore, the Lord Almighty’s blessings showered on me abundantly need to be acknowledged at the outset for this humble research of mine.

Dr. M. Senthil, my guide in shaping this research from the beginning till the end at every step, had taken exquisite pains in giving me scholarly advice and direction without which this research would have been a pipe dream. He deserves my undivided gratitude.

I am very much indebted to the immense support and encouragement given by Mrs. & Mr.S. Venkatram, visionary in building institutions - not only in their architecture, but also in the shaping of intellectual capital. They have been a source of inspiration for me throughout my stint in Sri Krishna College of Engineering and Technology.

I salute Dr.S. Subramanian, the Principal of Sri Krishna College of Engineering and Technology, in all my humility, for his concern and care during my research, which kept my spirits high through the times of tribulation.

I place on record my heartfelt appreciation for the timely help rendered by Dr. Israel and Mr.A.D.Marudhaachalam in collecting and interpreting the data.

I thank all my colleagues at School of Management, Sri Krishna College of Engineering and Technology for their understanding and kind support whenever I needed them.

Finally, I thank my parents and my family members who contributed a lot to this study by bearing with my untimely and troublesome schedule.
