

LIST OF FIGURES

| Figure No. | Title | Page No. |
|------------|--|----------|
| 3.1 | Design of the Study | |
| 4.1 | Normal P-P Plot of Regression Standardized Residual for 100 M Dash | 111 |
| 4.2 | Normal P-P Plot of Regression Standardized Residual for Long Jump | 114 |
| 4.3 | Normal P-P Plot of Regression Standardized Residual for Shot-Put | 118 |
| 4.4 | Graphical Representation of Pre and Post Test Mean Scores of Isometric Leg Strength for Experimental and Control Group | 127 |
| 4.51 | Graphical Representation of Pre and Post Test Mean Scores of Muscular Endurance for Experimental Group and Control Group | 129 |
| 4.6 | Graphical Representation of Pre and Post Test Mean Scores of Speed for Experimental Group and Control Group | 131 |
| 4.7 | Graphical Representation of Pre and Post Test Mean Scores of Explosive Power for Experimental Group and Control Group | 133 |
| 4.8 | Graphical Representation of Pre and Post Test Mean Scores of Cardio-respiratory Endurance for Experimental and Control Group | 135 |
| 4.9 | Graphical Representation of Pre and Post Test Mean Scores of Flexibility for Experimental Group and Control Group | 137 |
| 4.10 | Graphical Representation of Pre and Post Test Mean Scores of Co-ordination for Experimental Group and Control Group | 139 |
| 4.11 | Graphical Representation of Pre and Post Test Mean Scores of 100 M Dash for Experimental Group and Control Group | 141 |
| 4.12 | Graphical Representation of Pre and Post Test Mean Scores of Long Jump for Experimental Group and Control Group | 143 |
| 4.13 | Graphical Representation of Pre and Post Test Mean Scores of Shot-put for Experimental Group and Control Group | 145 |
