It gives me great pleasure to express my sincere gratitude to my guide Dr. T. Thenappan, M.Sc., M.Phil., Ph.D., Professor, Department of Physics, Alagappa University, Karaikudi. His meticulous dynamic guidance, scholastic suggestion, constant encouragement and comprehensive discussions at every stage have helped me to complete this research work well.

I am also thankful to Dr. C. Sanjeeviraja, M.Sc., Ph.D, Professor & Head, Department of Physics, Alagappa University, Karaikudi for his encouragement throughout my research work.

I am very much thankful to Dr. S. C. Mehrotra Professor and Head, Department of Electronics and Computer Science, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, for providing necessary laboratory facilities and equipments to carry out measurements in Time Domain Reflectometry.

I am also thankful to Mr. P. Prabhakar Undre, Research scholar, Department of Physics for his valuable help during my stay at Aurangabad.
I am also thankful to Mr. U. Sankar, Senior Lecturer, AKGS Arts College, Srivaikuntam, Mr. A. Prabhakar Devaraj, Mr. H. Aswathamman, Mr. G. Parthipan, Mr. Arivalagan Lecturer, Department of Physics, Thiagarajar college, Madurai, for their encouragement, during my research work.

I am also thankful to the teaching and non-teaching staff of the Department of Physics, Alagappa University, Karaikudi for their direct or indirect help during the work.

Finally, I must express my thanks to my father, brothers, sister and friends constant inspiration and understanding during the work.

A. Kingson Solomon Jeevaraj
