LIST OF PUBLICATIONS
Papers Published and Communicated in Reputed Journals:

   

3. Investigation of Nickel electroplating in acidic acetate baths, KR. Marikkannu and G.Paruthimal Kalaignan
   

   
   Journal of Metal Finishing (communicated)

5. Mechanical and corrosion-resistance perfomnance of electrodeposited Nickel-ceria composite coatings KR. Marikkannu, G.Paruthimal Kalaignan* and T.Vasudevan
   
   Journal of Thin Solid Films (communicated)

6. The role of additives in the electrodeposition of nickel -cobalt alloy from acetate electrolyte
KR. Manikannu, G.Paruthimal Kalaignan* and T.Vasudevan
   
   Journal of Alloy and Compounds (communicated)

7. Effects of 1, 4- butyne diol on structures and morphologies of electroplating Ni-Co alloy
KR. Marikkannu, G.Paruthimal Kalaignan* and T.Vasudevan
   
   Journal of Surface and Coating Technology (communicated)

8. Some Basic Aspects of Ni-Co Electrodeposition from Acetate Solutions KR. Marikkannu U. Valar mathi and G.Paruthimal Kalaignan and T.Vasudevan
   
   Journal of Applied Surface finishing, (communicated)
Papers Published in National Journals

Papers presented in International Seminars / Symposia:

6. Studies on nickel-alumina Electrocomposite Coatings of over mild steel substrate,
KR. Marikkannu, K. Amutha, G. Paruthimal Kalaignan, and T. Vasudevan

7. Role of Additives on the Electrochemical Behavior of Cu-Zn Alloy Deposit form Acid Tartarte Bath,
K. Amutha, KR. Marikkannu, A. Kannan, T. Vasudevan and G. Paruthimal Kalaignan,

8. Role Of Additives On The Electrochemical Behavior Of Cu-Sn Alloy Film From Acid Gluconate Baths,
G. Bhuvanalogini, KR. Marikkannu, K. Amutha, G. Paruthimal Kalaignan
and T. Vasudevan, International convention on Surface Engineering
(INCOSURF 2004) Bangalore, INDIA

9. Electrochemical characterization of the Ni-Fe electrodeposition from a Sulphate bath,
KR. Marikkannu, G. Paruthimal Kalaignan and T. Vasudevan
International convention on Surface Engineering
