ACKNOWLEDGEMENT

First of all I would like to thank God for having given me very good health and interest to complete this research work.

My deep sense of gratitude and heart-felt thanks are due to my supervisor Dr.(Mrs) K.Prasanna Kumari, M.A., M.Phil., M.Ed., M.B.A., Ph.D., Associate professor, Department of Economics and Research Centre, Sarah Tucker College (Autonomous), Tirunelveli-7 for her valuable suggestions and invaluable insights in choosing the filed of my study. But for the unceasing guidance, unstinted co-operation and encouragement this thesis may not be a reality. I gratefully remember the tireless endeavour that she put forth.

I owe my thanks to The Principal Dr. Tmt. Jasmine Mathialagan, M.A., M.Phil., Ph.D., and Tmt. Premletha Manohar, M.A., M.Phil., H.O.D., the Professor of the Department of Economics and Research Centre, Sarah Tucker College (Autonomous), Tirunelveli for their kind encouragement in the different stages of this thesis work.

I owe my thanks to The Principal Dr. Sankaranarayanan, M.A., M.Phil., Ph.D, Sri K.G.S Arts College, Srivaikundam, Tuticorin Dist, for his kind encouragement in doing this research work.
My thanks are also due to the respondents who supplied the primary data for this study.

I am extremely grateful to my husband, my parents and my children without whose efforts and sacrifice. I could not have come up in life and studies.

V. RAJA RAJESWARI.
