CONTENTS

Acknowledgement i
Preface iii

1. Introduction
   1.1 Optimization 1
   1.2 Mathematical Programming Problem 2

   1.3 Linear Programming 4
   1.4 Non-linear Programming 5
   1.5 Integer Programming 6
      1.5.1 Different methods to solve IPP 8

   1.6 Programming under Uncertainty 17
      1.6.1 Stochastic Programming 17
      1.6.2 Fuzzy Programming 19
      1.6.3 Interval Programming Problem 23

   1.7 Multiobjective Programming 24
      1.7.1 Weighted Sum Method 25
      1.7.2 Goal Programming 25
      1.7.3 Fuzzy Programming for Multi-objective Programming Problem 27

   1.8 Fractional Programming 28

   1.9 Applications of Integer Optimization in Transportation Problem 29
      1.9.1 Literature Review and Classification Of Transportation Problem 30
      1.9.2 Fractional Transportation Problem 31
      1.9.3 Solid Transportation Problem 32
      1.9.4 Multiobjective Transportation Problem 33

   1.10 Lingo Software 37
2. Integer Optimization Of Multi-Objective Linear Plus Linear Fractional Programming Problem

2.1 Introduction

2.2 Statement of Multi-Objective Linear Plus Linear Fractional Programming Problem

2.3 Solution Procedure of solving MOLPLFPP

2.3.1 Value Function

2.3.2 Chebyshev Goal Programming

2.4 The Stepwise Solution Procedure

2.5 Numerical Examples

2.6 Conclusion

3. Multiobjective Capacitated Fractional Transportation Problem With Mixed Constraints: An Integer Solution

3.1 Introduction

3.2 Formulation of the problem

3.3 Optimization Techniques

3.3.1 Fuzzy programming with different membership functions

3.3.1.1 Linear membership function

3.3.1.2 Exponential membership function

3.3.1.3 Hyperbolic membership function

3.3.2 Lexicographic goal programming with minimum distance

3.4 Numerical Illustration

3.4.1 Fuzzy programming approach with different membership functions (Case I)

3.4.2 Fuzzy programming approach with different membership functions (Case II)

3.4.3 Minimum $D_1$ – distances method of lexicographic goal programming

3.5 Discussion

3.6 Conclusion and Summary

4. Integer Multiobjective Fractional Transportation Problem under Fuzzy Environment

4.1 Introduction
