ACKNOWLEDGEMENT

I wish to record my profound sense of gratitude to my beloved guide Dr. R. Sheeladevi, Lecturer & Head i/c, Department of Physiology, Dr. A.L.M PGIBMS, Taramani, Chennai - 113 for her constructive criticisms, encouragement and her patience in putting up with all my lapses and for being there, at all times of need.

I wish to express my gratitude to our Late Professor Namasiyam, for his invaluable guidance and support during the budding stage of this study.

I express my heartfelt thanks to Mr. R. Ravindran, Lecturer, Department of Physiology, Dr A.L.M PGIBMS, Taramani, Chennai - 113 for his valuable encouragement and timely help throughout the study.

I am thankful to Professor R. Muthusamy, Former, Head, Department of Anatomy, Dr. A.L.M. Post Graduate Institute of Basic Medical Sciences, University of Madras, for his interest and support during the course of the study.

My special thanks are due to Professor N. Srinivansan, Director, Dr A.L.M Post Graduate Institute of Basic Medical Sciences, University of Madras, for providing me the institutional facilities to carry out the study and for being a constant source of encouragement and guidance.

I am pleased to express my thanks to Dr. G. Jeyaraman, Reader, Department of Genetics, Dr. A.L.M. Post Graduate Institute of Basic Medical Sciences, University of Madras; Dr. D.C. Mathangi, Associate Professor, Department of Physiology, Chettinadu medical college and research institute for their valuable suggestions and approval of the study.
My sincere thanks are due to Dr. B.J. Dare, veterinary consultant and to the staff members of the animal house, for procuring and maintaining the animals required for my work.

I am extremely happy to thank my senior scholars Mr. A. Muthurvel, Mr. R. Vijayakumar, Mr. M. Senthilkvelan, Dr. J. Samson, Dr. S. Manikandan, Dr. N. Jeyaparthasarathy and Mr. R. Srikumar for their advice and support during my research career.

I am extremely indebted to my department friends Mr. G. Sathya Narayanan, Mrs. Gajalakshmi, Miss. S. Dharini and Miss. G. Sridevi for their kind help and co-operation.

My heartful thanks are also due to M.Sc. Students Annadurai, Prakash, Saravanan, Senthamizhesvi, Ramkumar, Priyanka, Umamaheswari, Divya and Shameem Fathima for their timely help through out the study.

I am happy to express my thanks to Mr. Velu, Research Scholar, National Centre for Ultra fast Processes, Taramani, Mr. S. R. Ayyappan, Mr. Sheik Amjath, Research Scholars department of Pharmacology & Environmental Toxicology, Mr. Pakyathan, Mr. Raskin Erusan, Department of Genetics, Mr. Tamilsevan, Mr. Muraki, Shivarajan, Department of Biochemistry, Mr. J. Anbazhagan, Mr. Rengarajan and Mr. Venkataraman, Mr. Neelamohan, Mr. Venkatesh and Mr. Stanley, Scholars, Department of Endocrinology, University of Madras, Taramani, Chennai - 113 for their timely help during the study.

I am extremely happy to thank Dr. S. Mohammed Farooq (Department of Biochemistry), Dr. Vijayamohan, Mr. G. Gnanasekaran, Mr. M. Shajahan,
Mr. B. Murugan, Mr. Amarnath Mr. Krishna and Mr. Balaji, for their valuable encouragement and help.

The help rendered by the office staff members Mr. Panner Selvam, Mr. P. K. Subramaniyam, Mr. K. Balaguruvaih and Mr. L. Purusothaman of Department of physiology and all my other friends is gratefully acknowledged.

The financial support from Indian Council of Medical Research (ICMR) through the post of Research Assistant, New Delhi, India and University of Madras in the form of University Research Fellowship is gratefully acknowledged.

No words could even thank the encouragement, support and prodigious patience of my family members. I whole heartedly thank my father, mother, brothers and sisters who were behind the scene rendering affectionate encouragement and support, thus contributing to the completion of my research work and have seen the light of the day.

(R. RAJAMANI)
