ACKNOWLEDGEMENT

In the name of Almighty GOD, the most gracious and sympathetic and been continuous encouragement for me to strengthen efforts and orientation, to right path.

I would like to take this opportunity to express my honour, respect, deep gratitude and genuine regard to my guide, Prof. B. B. Ahuja for his immense support, continuous guidance and encouragement during my research work. He has been a constant source of help and inspiration to me. I am grateful to him for giving me liberty in the work undertaken and encouragement at every vital and pivotal point of crucial stage of this research work. He has been extremely supportive and understanding at all times. He arranged useful discussions and brainstorming sessions, at every conceptual development stage to bring originality in research work. I remain deeply indebted for his understanding and support when I was deeply depressed due to personal and family problems. He has encouraged me to find solutions and given strong moral support at hard times I faced, especially my mother’s death during this period. It is indeed my privilege to have his guidance for lifelong learning. Even though this eulogy is insufficient, I preserve an everlasting gratitude for him.

I am deeply indebted to Dr. S. K. Basu, Professor Emeritus, for his inputs to inculcate research approach. His great experience and ideas were invaluably helpful.

I am thankful to Dr. A. D. Sahasrabudhe, Former Director, College of Engineering, Pune [COEP] for providing support and encouragement during the initial phase of research work.

My grateful thanks to Dr. Rajiv B (HOD Production Engineering and Industrial Management) and Dr. Mrs. N. R. Rajhans (Former HOD, Production Engineering and Industrial Management), for their motivation and help to carry out this research work.

I am greatly thankful to Dr. Mrs. A.V. Mulay for her valuable inputs and motivation during early phase of research work and helping me to form a conceptual framework of this research.

I would also like to thank Dr. M. R. Nandgaonkar, Associate Professor, Department of Mechanical engineering, COEP for extending discussions and help in carrying out framework for research during every stage of development.

I am also thankful to Dr. P. P. Chikate, Dr. L. G. Navale, Prof. K.G. Patil, Dr. M.D. Jaybhaye, Dr. P. D. Pantawane, Mr. S. S. Anasane, Mr. S. U. Ghunage, Mr. J. S.
Karajgikar, Ms. Aarti Paygude, Dr. S. M. Patil, Dr. H. Bagchi, Dr. B. U. Sonawane, Mr. Suleman Shaikh for their support during my progress seminar presentations.

My special thanks to Mr. M. R. Dhanvijay for his friendly encouragement, resourceful support and helpfulness at all times at various stages during my research work.

I am very much thankful to Mr. A. Y. Momin, Sr. Manager, CSD Accurate gauging and instruments pvt Ltd for various technically enriched inputs and extending experimentation facility at Accurate Engineering and making CMM machine available immediately after calibration for strengthening research concepts during the period. I am also thankful to Mr. Santosh Shelar, Hexagon Metrology and Mr. Shripad Shouche, Business Development Manager, Renishaw for helping in understanding calibration concepts of CMM and related industrial practices at initial stages. I am also thankful to 3D CMM, Bhosari for providing initial level operator training of CMM at conceptual learning phase.

I also gratefully acknowledge Board of College and University Development (BCUD), Savitribai Phule Pune University, Pune for financial assistance for the research work.

My heartfelt gratitude to my colleague HODs of all departments at D Y Patil College of Engineering, Pune and department faculty members especially, Mr. S. S. Sarnobat, Mr. N. K. Kamble, Mr. P. R. Padave, Mr. J. M. Khade, Mr. R. P. Jadhav, Mr. M. N. Mathapati, Mr. Y. G. Kamble and Mr. N. M. Mahajan Mr. D. Mane, Mr. V. Parsekar, Mr. S. S. Bhosale for their continual support.

It gives me great pleasure in thanking Mr. D. A. Bhagwat (Registrar), Dr. Mrs. P. Malathi (Vice Principal), Dr. B. S. Balapgol (Principal), Col. S. K. Joshi (Campus Director) and Hon. Shri. Satej D. Patil (Chairman and Vice President) D Y Patil College of Engineering, Akurdi, Pune for their strong encouragement, they had provided on their own way during my long period of research work.

I am deeply indebted to my late Mother, Jaya Kulkarni for nurturing required patience to carry out this research work. I am greatly thankful to my father, Mr Arun Kulkarni, Sister Mrs. Anju Kulkarni, Sister in law Mr. Sachin Kulkarni, wife Mrs. Divya Kulkarni, Son Om and Daughter Richa for their patience and support.

Words alone can never be completely express my gratitude to all other who left out to be spelled for during this research work. I thank them all.

Vinay Arun Kulkarni
