ACKNOWLEDGEMENT

I am both blessed and honored to work under the guidance of Dr. C. Panneerselvam, who is the source of inspiration for me. Words fail to express my deep sense of gratitude towards him for formulating the research methodology, able and necessary guidance and his unflinching support all through this research pursuit.

I wish to thank the kind support and helps rendered by Dr. P. Varalakshmi, Head of the Department, Dr. P. Sachdanandam and Dr. D. Sakthisekaran all through my research work.

At this moment, I do give a word of appreciation over the helps done by Dr. Kalai Selvi and Dr. Sumathy.

The prodigious and timely helps rendered by Dr. Shila with true care and concern is gratefully acknowledged.

Highly acknowledged are the helps rendered by my Friends for their constant encouragement, love and care during my research period. Their stimulating and delightful companionship will always be in my remembrance.

Deep sense of gratitude and thanks I do place towards my Parents who shouldered me right from my childhood till now with lots of compromises and sacrifices. I do remember their consistent, unsurpassed encouragement and kind support offered throughout my research process. In addition, I do thank my Sisters, Brother and Family Members on their helps rendered on each and every step of my research.

I wish to make a special mention of the helps done by Mr. Dakshinamurthy, Mr. Anand and Mr. Vincent, the non-teaching staff of our department.

The financial support offered by University of Madras, University Research Fellowship (URF), Chennai and Indian Council of Medical Research, (Senior Research Fellowship), Government of India, New Delhi are gratefully acknowledged.

Thanks a lot to Mrs. S. Bindu, Students Xerox Pvt. Ltd. for her able and efficient secretarial assistance.
