ACKNOWLEDGEMENT

"He who teaches me for a day, becomes my father for life time"

Chinese Proverb

In this hallowed tradition of thesis acknowledgements, it is apposite to begin with my heartfelt thanks to Dr. R. SELVAM, M.Sc., Ph.D., Professor, Department of Medical Biochemistry, Dr.A.L.M. Post Graduate Institute of Basic Medical Sciences, Taramani, Madras, for his excellent guidance and inexhaustible support rendered throughout the period of my work.

I am grateful to (Mrs.) K. RADHA SHANMUGASUNDARAM, M.Sc., Ph.D., M.Sc. (Sheff.), A.R.I.C. (Lond.), Professor and Head, Department of Medical Biochemistry, Dr.A.L.M. PGIBMS, University of Madras, Taramani, Madras, and Director Dr.A.L.M. PGIBMS, Taramani, Madras, for the unflinching support and for providing the laboratory facilities.

My sincere thanks are due to Dr. M.P. KANNABIRAN, M.B.B.S., Health Officer, Corporation of Madras and to Mr. B. DHANRAJ, M.Sc., Senior Entomologist, without whose help, this work would have been impossible.
I would like to express my deep sense of gratitude to Dr. P. VENKATESAN, Ph.D., Research Officer, Tuberculosis Research Centre and Mr. R. NARAYANAN, M/s. Balaji Computers, for helping me out with the statistical analyses.

I genuinely acknowledge the help rendered by the teaching and nonteaching staffs of my department. I am greatly obliged to my senior research scholars and colleagues for their kind co-operation throughout the period of my study. Last but not least, I am very much indebted to my parents, friends and well wishers for their moral support and invaluable encouragement rendered during the tenure of my research.

The financial assistance provided by Rameshwardas Birla Smarak Kosh Foundation is gratefully acknowledged.

(G. BASKARAN)
