Acknowledgement

Foremost I thank ‘Allaha Subhanawatalla’ for bestowing me strength in adverse condition and for his continuous blessings throughout my study.

I owe this pride place to my beloved parents, who encouraged me to undergo higher studies and support me throughout the period of the study.

I am ineffable in expressing my deep sense of gratitude to my mentor Dr. O.P. Chaturvedi, Principal Scientist (Forestry/Agroforestry), NRCAF, Jhansi for his keen interest, cordial and magnanimous behavior. His positive disposition and remarkable ability to change attitude from ‘can I’ to ‘I can’ shall be a guiding force in my endeavors all through life.

My sincere thanks are due to members of the advisory committee Dr. A.K. Handa, Sr. Scientist (Forestry), Dr. Ajit, Sr. Scientist (Statistics) and Dr. R.S. Yadav, Sr. Scientist (Soil Science) for their advice and help throughout the study.

I am extremely thankful to Dr. S.K. Dhyani, Director, NRCAF, Jhansi for allowing me to carry out the Ph.D. research at the Centre and providing all the facilities for the execution of this study. I specially acknowledge the library of NRCAF and the library staff of the Centre.

I am especially thankful to Dr. P. Ratha Krishnan, Scientist (Forestry) for his intense editing and alterations to the whole manuscript.

I express my sincere thanks to Dr. Sultan Singh, Sr. Scientist, PAR Division, IGFRI, Jhansi for allowing me to perform the bio-chemical analysis in his lab. I am also thankful to Deepika, SRF, IGFRI, Jhansi for his help during the analysis.

Last but not least I am highly thankful to Dr. Shabir Ahmad Dar and Bilal Ahmad Bhat for their moral support and appreciation.
