ACKNOWLEDGEMENT

It is with immense gratitude that I acknowledge Prof. P.K Sasidharan former Professor and Head, Department of General Medicine, Govt. Medical College, Kozhikode for his keen interest and close supervision in this work and the valuable guidance he had given me throughout the period of my work. He has not only been my research Guide, but my teacher and mentor and without whom the division of Hematology would not have been possible in Calicut Govt. Medical College.

I am grateful to Dr. Biju, Assistant professor of community medicine, who had helped me with the interpretation of large amount of data in the present study.

I am grateful to Prof. N.K Thulaseedharan and all my teachers colleagues and post graduate students in the Department of Medicine who had helped me with this project. I would also like to thank the non-teaching staff of the Department of Medicine for their valuable help.

I would like to sincerely thank Dr. Anil Vallethol, professor of Malayalam, University of Calicut for his valuable encouragement.

I am also thankful to all the patients who had willingly participated in the study.

I wish to express my sincere gratitude to the Principal, Govt. Medical College Kozhikode for providing the facilitates for my work.
