ACKNOWLEDGEMENTS

This thesis is the culmination of my journey of Ph.D which was just like climbing a high peak step by step accompanied with encouragement, hardship and trust. When I found myself at top experiencing the feeling of fulfillment, I realized though only my name appears on the cover of this dissertation, a great many people including my family members, well-wishers, my friends, colleagues and various institutions have contributed to accomplish this huge task.

At this moment of accomplishment I am greatly indebted to my research guide, Dr. Madanmohan Singhji Khalsa, who accepted me as his PhD student and offered me his mentorship. This work would not have been possible without his guidance and involvement, his support and encouragement on daily basis from the start of the project till date. For all these, I sincerely thank him from bottom of my heart and will be truly indebted to her throughout my life time.

I am thankful to the Library of SharadchandraPawar Law College, Nanded, & JJTU Liabrary for kindly allowing me to refer their books, journals & the Internet facility.

I am much greatful to my friends Gatha, swati, Neha, Chandrakantmetkar and sagarpal for their help.
