I take this opportunity to express my deep sense of gratitude towards my research advisor, Professor Avinash S. Kumbhar who helped me to understand the intricacies of my research topic and cultivate a scientific attitude within me. He shared me with his valuable experience through many discussions and explained the difficulties in a simple way. His constant encouragement and motivation helped me to make the subject enjoyable for me.

I wish to express my thanks to Professor D. D. Dhavale Head of the Department of Chemistry and former Heads, Professor R. S. Kusurkar, Professor M. Dikshit for providing me all the infrastructural facilities of the department necessary for my research work.

I am so grateful to Dr. Mrs. Anupa A. Kumbhar, Department of Chemistry, for her kind help to carry out the DNA cleavage experiments. I owe to her for her moral support, encouragement and many discussions during the course of my research.

I would like to thank Dr. Ayesha Khan for carrying out cytotoxicity experiments of compounds on various cell lines.

I wish to express my sincere thanks to Central Drug Research Institute (CDRI) Lucknow for providing me the mass spectrum of the ligands and complexes.

I thank my lab-mates Dr. Megha Deshpande, Dr. Archika Bapat, Dr. Vitthal Kawade, Dr. Satish Bhat, Dr. Nazrul Islam, Nilima, Rahul, Shushma, Olufunso and Vishwanath for making a lively atmosphere and their help and cooperation during this work.

I also thank all the administrative, non-teaching and technical staff of the department for their kind assistance. I would like to thank all the friends from other labs for sharing the pleasant moments with me.
I would like to acknowledge my employer, the authority of University of Azad Islamic and Sanan Shimi Company for granting me study leave. I wish to thank all my colleagues and friends over there for their constant encouragement.

I would like to thank my parents, my sister, brother, and all relatives for their blessings to me.

I would like to express my special thanks my wife Arezoo and my lovely son and daughter (Matin and Hana) for their long perseverance and carry out the livelihood on their own in my absence.
