Acknowledgement

The fountainhead of all the motivation for this work from the conception to the completion, from the synopsis to the submission of the thesis has been Prof. P.S. Satsangi, Chairman, Advisory Committee on education. I bow my head in humility and reverence to him.

The completion of research work entitled, “PHYTODIVERSITY OF THE FLOODPLAIN VEGETATION OF RIVER YAMUNA AT AGRA AND ITS CONSERVATION WITH SPECIAL REFERENCE TO BIOTIC FACTOR” gives me an opportunity to thank everyone who helped me in carrying out my research work successfully. Most humbly, I express my deep sense of gratitude to my Supervisor Prof. Anil Kumar, Head, Department of Botany & Dean Faculty of Science & Prof. V.P. Bhatnagar for their expertise guidance, competent direction, valuable suggestions, support and for all the co-operation without which I could not complete this research work.

I am highly thankful to Prof. D.S. Rao, Prof. C.N. Shrivastava, Dr. J.N. Srivastava, Dr. Prem Kumar for their continued encouragement, constructive criticism and suggestions.

I am grateful to Prof. R.S. Ambasht F.N.A, Department of Botany, BHU, Varanasi, Prof. A.K. Jain, Head SOS in Botany, Jiwaji University, Gwalior, Prof. A.K. Bhatanagar, Head, Department of Botany, University of Delhi, Prof. L.C. Mishra, Department of Life Sciences, C.S.J.M. University, Kanpur, Prof. T.R. Sahu, Sagar University, Sagar, Prof. S.S. Bhojwani, Prof. S.V.S. Chauhan, Institute of Life Science, Agra for their guidance.

I am very thankful to Mr. Vijay Dev, Department of Physics and Computer Science, and Dr. S.K. Soni, Department of Botany, Faculty of Science D.E.I. Agra who helped me in computer related essential works throughout the period of my research work. I express my indebtedness to my friend, Mr. Gyan Swaroop Verma and Dr. Avneesh Kumar Sangam.
Words are those vehicles by which we can express our emotions but here I am short of words to express respect to my loving parents Late Shri and Smt. D.S. Srivastava. He always wished me to reach the height of education but now he did not live to see it. I dedicate my thesis to my loving parents.

This note would never be completed without mentioning my wife Mrs. Anita Srivastava for her co-operation, encouragement and moral support and I also want to mention my daughters Amola & Archa and relatives for their love.

Lastly, I wish to pay my gratitude to every known or unknown person who directly or indirectly helped me during this course.
