Acknowledgement ........................................... III-IV

List of Tables ............................................... V-VIII

List of Figures ............................................... IX-X

Executive Summary ........................................ XI-XIV

## CHAPTERS

1. **Exploring the Intricacies of Media - An Introduction** 1-14
   1.1 Media Pervasiveness ................................. 1
      1.1.1 Youngsters and Media ............................ 2
      1.1.2 Media and Changing Lifestyle .................. 4
      1.1.3 Media and Physical Health ....................... 5
      1.1.4 Media and Social Health .......................... 7
      1.1.5 Media and Mental Health ......................... 9
   1.2 Rationale of the Study ............................... 10
   1.3 Scope and Significance of the Study ............... 11
   1.4 Summary ............................................... 12

2. **Interface between Media and Students - A Theoretical Perspective** 15-28
   2.1 Introduction .......................................... 15
      2.1.1 Students hook to media for entertainment .... 16
      2.1.2 Media help students to empathise .............. 17
      2.1.3 Students consume and use media as part of social learning 18
      2.1.4 Students constitute a part of active audience 19
      2.1.5 Media alter sense ratio .......................... 20
      2.1.6 Students depend on media for information .... 21
      2.1.7 Media act as consonant for students ............ 22
      2.1.8 Media as compliance-gaining medium for students 23
   2.2 Summary ............................................... 28

3. **Literature Review** ..................................... 29-54
   3.1 Introduction .......................................... 29
      3.1.1 Family: The Primary Social Institution ....... 29
      3.1.2 Media: An Addition to Family .................... 30
3.1.3 Irresistible Media

3.1.4 Media Effects: On Health and Beyond
  3.1.4.1 Effects on Physical Health
  3.1.4.2 Effects on Social Health
  3.1.4.3 Effects on Mental Health
  3.1.4.4 Media and Catharsis

3.1.5 Complexity of Media Messages

3.2 Research Gap

3.3 Research Questions

3.4 Summary

4. Research Design

4.1 Introduction

4.2 Objectives

4.3 Hypotheses

4.4 Operational Definitions

4.5 Research Methodology

4.6 Summary

5. Data Presentation and Analyses

5.1 Media that School Students are Exposed to, Consume and Use

5.2 Time School Students Spend on Using and Consuming Media

5.3 Effect on Physical Health

5.4 Effect on Social Health

5.5 Effect on Mental Health

5.6 Guidance and Monitoring by Parents

5.7 Summary

6. Research Findings and Hypotheses Testing

7. Discussion

8. Conclusion and Recommendations

8.1 Media Consummation and Usage

8.2 Time Spent with Media

8.3 Physical Inactivity (Physical Health)

8.4 Mediated Communication (Social Health)

8.5 Levels of Depression, Anxiety and Stress (Mental Health)

8.6 Monitoring and Guidance by Parents
8.7 Difference between Government and Private School Students 141
Recommendations 142

Bibliography

 Appendices:
  i. Questionnaire for students i-vi
  ii. Questionnaire for parents vii-x
  iii. DASS xi-xiii
  iv. Research paper
