ACKNOWLEDGEMENT

With limitless humility, I would like to praise and thank 'God', the Almighty, the merciful compassionate, who bestowed me with all the favourable circumstances to go through this crucial juncture.

I very gratefully acknowledge the sincere guidance and sympathetic understanding shown by the supervisor Dr. V.K. Singh, Associate Professor, Department of Agricultural Chemistry, Amar Singh Postgraduate College, Lakhaoti (Bulandshahr), all through the present investigation.

I am extremely grateful to Dr. C.P. Bhatnagar, Head, Department of Agricultural Chemistry, Amar Singh Postgraduate College, Lakhaoti for providing necessary facilities in conducting this research work.

I emphatically express my vulnerable thanks to Dr. N.L. Sharma, Associate Professor; Sh. S.K. Singh, Assistant Professor, Department of Agricultural Chemistry; Sh. Rajendra, Professor, Department of Statistics and staff members of Amar Singh Postgraduate College, Lakhaoti, for their kind cooperation.

I do not find words to express my special thanks to Dr. S.P. Singh, Scientist, Department of Extension Education, Haryana Agricultural University, Hisar for his kind help in writing the entire manuscript.

My grateful thanks are also due to Dr. C.P. Singh, Soil Scientist, Department of Soil Science and Dr. J.P. Singh, Associate Professor, Department of Statistics, Haryana Agricultural University, Hisar, for their keen interest and wise comments which improved this manuscript.

Immeasurable help, cooperation and support was also well received by me, throughout the period of this study, for numerous friends, colleagues and staff alike, especially but
not exclusively from my own Department. I am really grateful and sincerely thank them all. There names are not being mentioned here for the sake of brevity and space. However, this does not mean that their help was less valuable to me.

No words of mine can adequately express my appreciation to my wife Mrs. Sunita Sirohi, whose silent wishes have guided my efforts. My lovely son Mr. Dhananjay deserve special mention, who kept me cheerful with his refreshing smile.

Last but not the least, words are incapable to express my sincere feelings towards my parents and other family members for their encouragement and affection, without whom this treatise would have remained an ambition.

Needless to say errors and omissions are mine.
