Acknowledgements

I express my sincere thanks to Dr. K.M. Jayaram, Lecturer, Department of Botany, University of Calicut for all the guidance and support provided during my research work.

I am greatly indebted to Dr. Nabeesa Salim for the help and advice given throughout the period of this work and during the preparation of the thesis.

I acknowledge the cooperation and help provided by Dr. N. Neelakandan, Dr. S. Nandakumar, and Dr. P.V. Madhusoodanan, former Heads, Dr. M. Sivadasan, the present Head, faculty members, supporting staff, research scholars and students of the Department of Botany, University of Calicut.

I express my gratitude to Fr. Dr. K.M. Joseph, Principal, Fr. Joseph Vayalil, former Principal and the Management of St. Joseph's College, Devagiri for giving me the opportunity for doing research under the FIP scheme. I appreciate with thanks the encouragement given by Dr. C.J. Mani and colleagues in the Department of Botany, St. Joseph's College, Devagiri.

My special thanks are also due to Dr. James Jacob, Director, RRII, Kottayam, Mr. Sunny Samuel, Maryland Plantations, Thamarassery, Calicut, Mr. Aneesh Panoli, CCMB, Hyderabad, Dr. P.M. Mani and C.V. Abraham, Department of English, St. Joseph's College, Devagiri, and Mr. T.M. Santhosh, Art and Photography, University of Calicut.

I specially mention Prof. Radha, P.G., Head, Department of Botany, Govt. Brennen College, Thalasseri for the support and help provided thorough out my work.

I fondly acknowledge the cooperation and assistance provided by my colleagues in the Division of Plant Physiology and Biochemistry, Mrs. Kochuthressia Andrews, Mrs. Beena Anto, Mrs. Sheela Francis, Mrs. Sheela S, and Miss Vijayalakshmi. K.M.

I acknowledge the University Grants Commission for awarding me the fellowship under the X Plan for the successful completion of my research.

Abis V. Cherussery
