I hereby recognize the erudite leadership of my co-supervisor Dr. Mohan Lal Kori, Director and Principal, Vedica College of B. Pharmacy, RKDF University, Bhopal (M.P.) for his constant help and cooperation in my whole academic career. A lot of moral support rendered by him always boosted my zeal and gusto to do something new and different. It is due to his uncanny knack of touching and pointing out the roots of the problem, that it has been possible for me to complete this work.

I wish to express my heartiest gratitude and a lot of thanks to respected Shri. B. D. Patel who always cared and guided me always. I am indebted for his love and proper valuable guidance in every stage of my life.

All the words could not sum up the pain and hardship that my family members had to face during my research work. Their sacrifice and love has been the guiding principle of my life. Sometimes it becomes really very hard to pick up the right word for those whose love and care
is fathomless. It is beyond the capacity of all words to express my respect and profound affection to my father Shri Arjun Jyotiram Sawale, my mother Smt. Kantbai Arjun Sawale, my elder sister Smt. Surekha Subhash Katake, my younger brothers Kashinath Sawale and Vinod Sawale for their encouragement, prayers, magnificent support, love, compassion, strength, determination, indispensable aid and faith in me, have been the driving force behind my efforts throughout my life. Their unlimited faith and touching love from my childhood has made me what I am today. They have been my pillars and stones of my strength.

Children in our life create an environment of innocence, unselfish love and joy; same it is the importance for me of my dear sons Atharv and Ved and my wife Smt. Rajshree Sawale for their blind support and cooperation during this tough period of my life.

Now this is time to pay a lot of thanks from the deepest sense of my heart to the person Dr. Dilipkumar M. Ingawale, President, Shikshan and Krushi Vikas Pratishthan Medshingi, Tal. Sangola, Dist. Solapur- (Maharashtra), who always remains my source of energy, who guided as a teacher, motivated and insisted to complete my Ph.D. Your valuable contribution can never be forgotten.
