ACKNOWLEDGEMENT

I am extremely thankful and unboundedly grateful to my respectful supervisor and guide, Dr. E. Thandapani, M.Sc., Ph.D., Reader in Mathematics, Madras University P.G. Extension Centre, (Now Periyar University) Salem, Tamil Nadu, India. His exceedingly excellent benevolence and unmatching capabilities are great sources of my inspiration. His patient and constructive approach and inimitable encouragement have been motivating me to complete my thesis.

My sincere thanks also go to Dr. G. Balasubramanian, Professor and Head, Department of Mathematics at Madras University, P.G. Extension Centre, (Now Periyar University) Salem, whose inspiring comments and timely advice helped me a lot.

I sincerely thank Dr. B. Jothiram, Member, Doctoral Committee and Professor and Head, Department of Mathematics, Government College of Engineering, Salem for his valuable guidance at every stage of my progress.

I thank the Management of Thiagarajar Polytechnic, Salem for encouraging me by granting permission to pursue research activities.

I am greatly indebted to Thiru. A. Dhirajlal, Secretary, Sona College of Technology and Advisor, Thiagarajar Polytechnic, Salem for his motivation and constant encouragement.
I thank Thiru.N.Subbiah, Principal, Thiagarajar Polytechnic, Salem for according permission to do the research and his constant and beneficial advice.

I am really indebted to my friend Thiru. V. Ramesh, Senior Lecturer in English, Thiagarajar Polytechnic, Salem for his invaluable assistance in the preparation of this thesis.

My thanks are also due to the Librarians of (i) Institute of Mathematical Sciences, Chennai (ii) Ramanujan Institute for Advanced Study in Mathematics, Chennai (iii) University of Madras (iv) Indian Institute of Technology, Chennai (v) Tata Institute of Fundamental Research, Bangalore (vi) Indian Institute of Science, Bangalore (vii) Thiagarajar Polytechnic, Salem who readily came forward to help me in my endeavour.

I also thank Thiru.C.Thangaraj, Department of Mathematics, Madras University P.G.Extension Centre, Salem for his excellent and efficient typing work and I also thank Thiru. P.S. Raja for his impeccable and error-free execution.

I am also grateful to the office staff of the Department of Mathematics, Madras University P.G. Extension Centre (Now Periyar University) Salem, Thiagarajar Polytechnic, Salem and all my friends who in some way or other helped me to complete the thesis.

L.RAMUPPILLAI
