ACKNOWLEDGEMENT

I am very grateful to Dr. E. Thandapani, Reader in Mathematics, Madras University P.G. Centre, Salem for his friendly generous and expert guidance. His kindness and understanding helped me through difficult times in completing this work.

I also wish to thank Dr. D. Somasundaram, Professor and Head, Department of Mathematics, Madras University P.G. Centre, Salem for having provided me with the necessary facilities. I would like to extend my gratitude to Dr. G. Balasubramaniam, for his constant encouragement during my F.I.P. period in the department.

I am deeply indebted to the Management, Secretary and Principal of Kandaswami Kandar's College, Velur (Salem) for granting permission to do research and for giving one year UGC fellowship under VIII plan from 8.7.93 to 7.7.94.

My thanks are also due to Vivek Computer and Reprographic Systems Pvt. Ltd., No 1, IIIrd Cross Street, Kasturbai Nagar, Adyar, Madras - 20, for their excellent and Comprehensive, viz., Laser Printing, Xerooting, Printing and Binding.
