Acknowledgement

I wish to express my heartfelt thanks to my esteemed guide and supervisor, Dr. E. Thandapani, Reader in Mathematics, Madras University, P. G. Extension Centre, (Now Periyar University) Salem, Tamilnadu, India, for his sincere support, valuable suggestions, constant encouragement and countless help during the period of my research and also in the preparation of the thesis.

I am extremely grateful to Dr. G. Balasubramanian, Professor and Head of the Department of Mathematics, Madras University, P. G. Extension Centre, (Now Periyar University) Salem, Tamilnadu, India, for motivating and enlightening me to a great extent.

I sincerely thank Dr. B. Jothiram, Member, Doctoral Committee, Professor and Head, Department of Mathematics, Government College of Engineering, Salem for his valuable guidance at every stage of my progress.
I devote my sincere thanks to Rev. Fr. M. Zacharias, the Headmaster, The Little Flower Higher Secondary School, Salem, Tamilnadu, India for his kind permission and constant encouragement to carry out this research activity and for providing me with necessary help.

I express my deep sense of gratitude to Thiru. P. S. Raja of the Department of Mathematics, Little Flower Higher Secondary School, Salem for his support and encouragement.

I appreciate and thank the Librarians of (i) Institute of Mathematical Sciences, Chennai, (ii) Ramanujan Institute for Advanced Study in Mathematics, Chennai, (iii) University of Madras, Chennai, (iv) Indian Institute of Technology, Chennai, who readily came forward to help me in this endeavor.

Above all, I sincerely thank God the Almighty and pray that He may shower His Blessings upon all those who have helped during the period of my research.

Salem-636 011, I.M. Arockiasamy

June-2002
