ACKNOWLEDGEMENT

My sincere gratitude to S.D.M.College, Ujire; my alma mater, which gave me conducive, educational, atmosphere for widening my horizons and discovering goal of my life.

I am completely indebted to my guide Dr.M.Y.Manjula, Professor and Head, Department of Postgraduate Studies and Research in Psychology. I am proud and thankful for her true inspiration, motivation, guidance, never ending support, encouragement, creating invaluable insights during the research and constantly being a source of energy for all the assignments as well as improvisation that I could achieve.

I sincerely thank, Dr. B.Yashovarma, Principal, S.D.M.College, for providing an encouraging environment along with the opportunity to undertake doctoral research. Thanks to Prof. J. Mahaveer, Professor of Statistics for his encouragement, guidance, suggestions on statistical analysis, research discussions as well as the timely help.

It gives me pleasure to thank the subject experts Dr. H.S.Ashok, Associate Professor and Chairperson, Department of psychology, Bangalore University, Dr.S.K.Kiran Kumar Professor of Psychology, Mysore University, Dr. Y.T.Balakrishna Acharya, Professor of Psychology and Head of the department, Surana College, Bangalore. Dr. Elizabeth Daniel, Professor of Psychology, Department of Post Graduate Studies and Research in Psychology, S.D.M.College, Ujire; and Dr. Prakash, P. Professor of Psychology, Mysore University. I thank all the editors for making provision and also for giving expert opinion which helped in improvising my paper publications. Specifically I would like to acknowledge Editor in chief, Dr. Harbans Lal Kaila, Journal of Psychosocial Research, members of Editorial board Indian Journal of Applied Research, Editors, of conference proceedings ‘women and mental health’ - 2010, Editors of conference proceedings publication - Psychology Serving Humanity: Science (Vol. I) as part of International Congress of Psychology 2012. I deem my thanks to all unknown and supportive peer reviewers of the research articles as well as few subject experts who helped me during the conceptualization stage like Dr.Rajashri Mahthani from TISS, Dr. Anisha Shah Professor, NIMHANS, Dr. Shekhar Sheshadri, Psychiatrist NIMHANS, Dr.K.B.Kumar, Dean and Professor of Clinical Psychology, Sweekar Upakar Rehabilitation, Mr. B.K.Patil Belgum,
Dr. Jogan Shankar Mangalore University, as well as Dr. S.P.K. Jena editor of Indian Journal of Clinical psychology, New Delhi. Dr. Mariamma Philips, Associate Professor, NIMHANS for helping in analyzing of Quantitative data.

I sincerely acknowledge the translators as well as subject experts—Ms. Gayathri, Head of the department, Government college, Bangalore, Ms. Pannaga K. Moorthy, M.Sc psychology; Ms. Shobha Managoli, Clinical Psychologist, Bangalore; Mr. Soorya Narayan Lecturer in English, S.D.M. College; Ms. Shwetha T.S Clinical Psychologist, AJIMS, Mangalore— who helped during the translation and back translation of the research tools used in the study.
