This thesis is the end of my journey in obtaining my Ph.D. I have not travelled in a vacuum in this journey. This thesis has been kept on track and been seen through to completion with the support and encouragement of numerous people including my well-wishers, my friends, colleagues. At the end of this thesis it is my moral duty to thank all those people who contributed in many ways in this study and who made the thesis look what it is today.

I owe a deep gratitude and heartfelt thanks to Dr. Hitesh Shukla, Professor, Department of Business management, Saurashtra University, Rajkot who has encouraged and guided me throughout my research work. Despite of his busy schedule he has always devoted time and has always given me a proper advice which made me pass through rough times. I also express my heartfelt gratitude to my revered guide for his unmitigated support, meticulous reviews, in depth inquiries and advice on the work.

Thanks are due to Dr. Sanjay J. Bhayani, Professor & Head, Department of Business management, Saurashtra University, Rajkot and my special thank to Dr. Pratapsinh L. Chauhan, Vice Chancellor, Saurashtra University, Rajkot for inspiring and providing valuable guidance, support and suggestions. Without them it would have been not possible to complete the research work.

I also would like to thank Mr. Kartik Kacha, Mr. Jagdish Sonara, Mr. Mansinh Chavda, Mr. Manish Kathrotiya and all other faculty members of Department of Business management, Saurashtra University, Rajkot for their valuable support to finish research work and other formalities.

I would like to dedicate this thesis to Chandrakantbhai B. Solanki my father and Madhuben C. Solanki my mother for their unmatched support, good wishes and continuous motivation and guidance during the entire research period. My father has really been a continuous source of inspiration for me during the entire period. I would also like to thank my lovely sister Vaishali for the continuous support, understanding and the environment that she created at home for me. She has been a real support to
me during my though times and has stood with me in any conditions whatsoever, without her support the work could not have seen the light of the day.

I would also like to thank Dhara, Chandni, Mansi, Tulsi, Ruchi and all other staff and colleagues of the FinEmergia Research Pvt. Ltd. where I have worked, for their continuous support and help. I would like to thank Dr. Vinod B. Bavishi, Founder of FinEmergia Research Pvt. Ltd, Rajkot for allowing me with flexibility of timings.

I am fortunate have friends Mr. Vishal Chauhan, Mr. Pratik Pandya Mr. Chirag Rathod, Mr. Nirmal Herma and Team Lions who always stood for me during journey of research study. I express my special thanks to Ms. Nilam Belim who helps me out to choose research topic as well as she also help in research work.

Due to lack of space I may have left few people who have contributed greatly to my thesis, but that does not mean that their efforts are not acknowledged. I hereby acknowledge the help and support of each and everyone who have directly or indirectly helped me in completing my thesis.
