ACKNOWLEDGEMENTS

In the effort to prepare of this thesis, I would like to acknowledge the support received from my teacher and guide Dr. Mrigendra Mohan Goswami, former Professor and Head of the Department of Zoology, Gauhati University for his guidance and constant support in technical review during this research work. I owe my sincere gratitude and thanks to the Head of Department of Zoology, Gauhati University for allowing me to do the research in the department. I am grateful to all the faculty members of the Department of Zoology for their support and encouragement throughout the study. I am thankful to the Programme Co-ordinator, UGC-SAP (DRS-II), Department of Zoology, Gauhati University and Fish Biology & Fishery Science Laboratory of the department for providing me the laboratory facilities and permit me to use the project site during the period of my research work. I extend my sincere thanks to Mrs. Gitali Das, Head of the Department and Dr. Parag Deka, Assistant Professor of Zoology Department, Pandu College, Guwahati for providing me the Laboratory facilities during the induced breeding of the fish. I also extend my sincere thanks to Dr. Sunayan Bordoloi, Co-ordinator of Bio-Tech Hub, and Dr. Janardan Pathak, Assistant professor of Zoology Department, B. Borooah College, Guwahati for providing me the Laboratory facilities. I also extend my sincere thanks to Dr. Sewali Pathak, Assistant Professor, Bijni College, Dr. Iniffa Hasan Haloi, Assistant professor, Handique Girls’ College, Dr. Samuel Sheikh, Assistant professor, B. N. College, Dhubri, Dr. Dimple Das, teaching faculty, Goalpara, Dr. Marina Das, Donbosco H.S. School, Guwahati, Dr. Arup Bura Gohain, Research Fellow of CIFRI, Gauhati center, Tandra Phukan, Research scholar and the P.G. Students of Zoology Department of Pandu College for their constant help during my research.

I am highly indebted to all members more particularly Sri Debojit Choudhury and the other field helpers like Sri Pabitra Rabha and Sri Praneswar Das besides the fishers, who accorded their whole hearted help and cooperation in my field work during the samples and research data collection. Nevertheless, it’s the
inspiration that I derive from my beloved mother Mrs Kamala Chakraborty and brother Nilay Chakrabarty and my in laws Mr. Satyendra Bhattacharyya and Mrs Usha Kataki whom I like to thank from my deep sense of heart. Last but one all above, I extremely thanks to my husband Mr. Nabarun Bhattacharyya whose support make me positive attention to complete the research work.
