ACKNOWLEDGEMENT

I express my profound gratitude and obligation to Dr. R.B. Tripathi, Reader and Head Department of Agricultural Extension, A.S. (P.G.) College Lakhaoti, Bulandshahr (U.P.) for his valuable and painstaking guidance, constructive criticism and untiring help throughout the period of this investigation. My regards are due for his valuable suggestions which were extended with great affection.

My sincere thanks to Dr. S.N. Tripathi, Head, Department of Agricultural Extension, C.S. Azad University of Agriculture and Technology, Kanpur for his help rendered during my Ph.D. work.

I am very much obliged to Dr. Bhopal Singh, Principal, and faculty members of Agricultural Extension, A.S. (P.G.) College, Lakhaoti, Bulandshahr for their good co-operation and providing me necessary facilities during the period of this investigation.

I am grateful to Dr. Baldeo Singh, Professor and Head, Division of Agricultural Extension, I.A.R.I., New Delhi for his encouragement and co-operation during the research work.

Moreover, I am highly indebted to Dr. C. Prasad, Ex-DDG, Agricultural Extension, ICAR, Dr. B.N. Chaudhary, Ex-ADG (LLP), ICAR, Dr. A.K. Mehta, Zonal Coordinator, Zone I, PAU, Ludhiana and Sri O.P. Kumar, Ex-TO, KVK Ambala for their sustained moral support and encouragement for the completion of this thesis.

I am very much thankful to Dr. Safeer Alam, Training Organiser and other staff members of KVK Ambala who have helped and encouraged me at every steps during my Ph.D. research work.

I record my sincere thanks to my friend Mr. Naushad Alam, Training Associate, (Agri. Ext.) KVK Thariaon, Fatehpur for his kind help during my study.
