Acknowledgements

First of all thanks to almighty “GOD” to give me this patience and strength to proceed successfully in completing my research work.

While a completed thesis bears a single name of researcher on front page but the process lead to its completion is always accomplished by the dedication, guidance and efforts of team. I wish to acknowledge my appreciation and thanks to certain important people.

My whole hearted and sincere debt of gratitude is expressed to my advisors Professor (Dr.) Charanjit Singh Riar, Department of Food Engineering and Technology, Sant Longowal Institute of Engineering and Technology, Longowal. It has been an honor to be his first Ph.D. student. He has taught me, both consciously and unconsciously, how easily complicated things are done. I appreciate all his contributions of time and ideas to make my Ph.D. experience productive and stimulating. The joy and enthusiasm he has for his research was contagious and motivational for me, even during tough times in the Ph.D. pursuit. Further, I would like to extend my highly indebted deep sense of gratitude to my co-advisor Professor (Dr.) Dharmesh Chandra Saxena for his guidance and supervision, whose guidance and encouragement allow me to grow as a research scientist.

I would also like to thanks Prof. V. K. Jain, Director, Sant Longowal Institute of Engineering and Technology for their support and encouragement. It is worthy to mention Prof. P.S. Panesar (HOD, FE&T) for enormous amount of help and providing the necessary facilities during my research.

It would be injustice if I do not mention the name of Late. (Dr.) Bahadur Singh Hathan, whose guidance brought me to this wonderful organization, for pursuing Ph.D. Also deep sense
of gratitude to the organization members Prof. (Dr.) H.K. Sharma, Dr. Sukcharn Singh, Dr. Vikas Nanda and Dr. Navdeep Jindal for their precious and valuable guidance throughout my research.

My deep sense of gratitude to the technicians of Food Engineering department especially Mr. Davender Kumar, Mr. Laxmi Narain Singh, Mr. Manoj Pandey, Mr. Om Chand and Mrs. Parveen Kumari for their assistance in carrying out practical work. Without their experience and assistance, practical lab work was not easy.

I would like to thanks for the beautiful and cherishing moments by my colleagues and lab mates Mr. Balaji M. Warle, Mrs. Sakshi Sukhija, Mrs Pragati, Mrs Seema Sharma, Dr. Farhan Bhatt, Dr. Ashok Pathera and Mr. Nisar Mir for their support and assistance in my research work. Their helpful and joyful nature always cherish me during my stressed times.

I am grateful to my friends Mr. Mandeep Singh Bal, Mr. Vijay Kumar, Dr. Ayush Badlan, Mr. Avinash Sharma, Jyoti Saini and Preet Pal Kaur for providing me support and valuable lessons of life. Thank you for your support to me and my family during my busy schedule and residence at SLIET, Longowal.

Finally, I would like to acknowledge my family who supported me during my research. First and foremost I would like to thanks my parent for their constant love and support. I am lucky to have Dr. Navneet Kaur as my sister, and owed her for her unconditional support. I would like to extend my expression of gratitude to my beloved Uncle and Aunt Mr. & Mrs Sukhwinder Singh and my cousins Er. Tejinder Singh and Navjot Kaur for their kind affection.
