ACKNOWLEDGEMENT

I take this opportunity with pride & immense pleasure expressing my deep sense of gratitude to my guide Dr. Arvind Kalia, National Head Mentoring, Rajasthan Patrika (Jaipur). He has the attitude and the substance of a genius, and he continually and convincingly conveyed a spirit of adventure in regard to research.

Without his guidance and persistent help this research work would not have been possible.

I would like to show my regards from bottom of my heart to Prof. N.K. Jain, Dean, Arts & Social Sciences, The IIS University, (Jaipur) whose contribution in stimulating suggestions and encouragement helped me to coordinate my thesis.

I am also very grateful to my parents–in-law and entire family for their continuous support throughout my research period, would like to give my special gratitude to my father Late Mr. Satyendra Kumar Sharma who was my source of inspiration.

These many hours of research, exploration and study are dedicated to my husband Dr. Gaurav Vashisth who motivated me at each step. Without him, I never would have had the patience to carry on this piece of research.

Last but not least, I am thankful to my mother Mrs. Vandana Sharma who helped me to bring this project into final shape.
