ACKNOWLEDGEMENT

I am taking the opportunity to thank all those people for contributing their effort and showering their blessing for successful completion of my research work.

I feel deep gratitude for my research guide, Dr. Jenabhai B. Chauhan, Associate Professor and Head of Genetics department, Ashok and Rita Patel Institute of Integrated Study and Research in Biotechnology and Allied Sciences (ARIBAS), New Vallabh Vidyanagar, which is beyond the scope of this acknowledgement. I thank him for his kind help, encouragement and providing a friendly environment together with constructive criticism and advice throughout my research work. His guidance has been a stepping stone to my career.

With deep sense of gratitude, I wish to express my sincere thanks to Dr. C. L. Patel Charutar Vidya Mandal (CVM) and Late Dr. V. S. Patel, Dr. A. R. Jani, Mr. N. C. Solanki and Prahaladbhai Sophisticated Instrumentation Centre for Applied Research & Testing (SICART) for providing me the infrastructure and laboratory facilities to work in the field of Genetics.

I extend my profound thanks to Dr. Nilanjan Roy, Head of Ashok and Rita Patel Institute of Integrated Studies and Research in Biotechnology and Allied Sciences (ARIBAS), New Vallabh Vidyanagar for providing the necessary facilities.

I owe special thanks to cattle breeding farm (GLDB, AAU), semen stations (SAG, ARDA) and Bocharon BAPS and Vadital Swaminarayana Gaushala for providing blood and semen samples for analysis in my research work and Government Veterinary doctor Dr. Jothariya, Borsad and Dr. Kamlesh Thavani, Anand for their help in sample collection.

I express my gratitude to the Department Research Committee of ARIBAS, Dr. Jenabhai B. Chauhan, Dr. Bhakti Bajpai, Dr. Shilpa Gupte, Dr. Kishore Chauhan and Dr. Ritu Dixit for handling six monthly progress report presentations and providing valuable suggestions.
I would like to thank all the faculties of Ashok and Rita Patel Institute of Integrated Study and Research in Biotechnology and Allied Sciences (ARIBAS) who helped me.

I would also like to thank Dr. Sunil Khristi, Dr. Farzin Parabia, Mr. Sanjaylal, Dr. K. M. Singh, Mr. Snehal Ingale and Dr. Anjali Kulkarni for support and suggestion in experimental work.

I would like to acknowledge the administrative staff of Ashok and Rita Patel Institute of Integrated Study and Research in Biotechnology and Allied Sciences (ARIBAS) Mr. Samir Patel, Mr. Jaydeep Patel, Ms. Kavita Patel, Mrs. Sangita Singodia, Mr. Sachin Patel as well as library staff members Mr. Sanjay Parekh and Mr. Pritesh Patel for their continuous help for my administrative procedures.

A journey is easier when you travel with your friend together. This gives a chance to thank my dear colleagues Mr. Yashvant Khimsuriya, Dr. Mili Nailwal, Dr. Mansi Desai, Mr. Himanshu Toor, Dr. Brijesh Dabhi, Dr. Tejash Gohil, Dr. Bhoomi Joshi, Dr. Ramesh Pandit, Dr. Preety Singh, Mrs. Nutan badgujar, Dr. Shriram Patel, Mr. Kushal Patel, Mrs. Reena Patel, Dr. Yati Dave, Mr. Ghanshayam Patel and Ms. Unisha Patel for their support that make my work as simple as possible. Your company had been always refreshing, lovable and enjoyable. Thanks for being there and helping me.

I would also like to thanks, Ms. Dharti Patel, Mrs. Radhika Patel and Ms. Swati Patel for support in experimental work.

My existence is due to my beloved parents and family. I cannot forget the pain that my parents have taken throughout my studies, without whom I would not be able to achieve this greatest task in my career life. It is not possible to thank all of them by my words, but I acknowledge their incessant involvement, motivation and encouragement to each and every step of my life as well as a career, I would like to say thank you through this thesis to my family especially to my beloved parents and wife, my father Mr. Bipinchandra K. Patel and my mother Mrs. Shakuntlaben B. Patel, my wife Mrs. Khyati Patel and also my sweet sister, Mrs. Snehal Patel and Mrs.
Priti Patel. I am forever thankful to Almighty God. I dedicated this thesis to my God and my beloved Mother, Father and Family.

Jainikkumar Patel
