It is my immense pleasure to have the opportunity to express my gratitude and respect to my *supervisor Dr. M. S. Saroa, Professor, Department of Mathematics, M. M. U., Mullana* and *co-supervisor Dr. Vijay K. Kaushik, Associate Professor, Department of Mathematics, H.C.T.M., Kaithal*, whose sincere advice and skillful guidance helped me in several ways at all stages of my research work. Their innovative ideas, constructive comments, interpretations and suggestions helped me considerably throughout. Their invaluable guidance and explicit enthusiasm helped me throughout my research work. Without their constant motivation, this work would not have been complete this way.

I record my sincere thanks to the most respected *Dr. Deepak Gupta, Head and Professor, Department of Mathematics, M. M. U., Mullana* and Hon'able *Sh. Tarsem Garg ji, Chancellor, M. M. U., Mullana*, for providing all the necessary facilities in carrying out my research work at M. M. U., Mullana.

I would also like present my thanks to many pioneers in the field, who in one or the other way, helped me in my research work: *Dr. Rifat Çolak*, Professor, Firat University, Turkey, *Dr. M. Mursaleen*, Professor, A.M.U., U.P., India *Dr. B.C. Tripathy*, Head, Mathematical Sciences Division, I.A.S.S.T., Assam, India, *Dr. Bipan Hazarika*, Professor, R.G.U., A.P., India and *Dr. Heman Dutta*, Professor, G.U., Assam, India.
