ACKNOWLEDGEMENT

It gives me immense pleasure to express my gratitude and indebtedness to my respected teacher and research supervisor Professor Suman Gupta (Retd.), Department of Law, Kurukshetra University, Kurukshetra. Her creative suggestions on the matter, while checking the manuscript were indeed a great advantage. Her interactive discussions at all stages of the research work helped me to refine the work in a good form. Her everlasting inspiration, scholarly guidance and keen interest were pivotal in completion of this research work. My painstaking efforts were glistened by her contemporary thoughts that culminated in the completion of this work.

I would like to extend my heartfelt thanks to Professor Rajpal Sharma, Chairman, Department of Law, Kurukshetra University, Kurukshetra, for all out help. I would also like to place on record my gratitude towards all my loving friends for the help and assistance in collecting the helpful matter for the completion of this research work. It was this knowledge that contributed immensely to appreciate the various practical aspects of the Indian society.

Appreciations are also due towards Mr. Sanju Chawla and Rinku Chawla (Website Computer's, IIIrd Gate, Kurukshetra), for typing the Ph.D. thesis with accuracy and speed. He rendered service with smile and patience.

It is because of the efforts, co-operation and guidance of all the abovementioned persons and the spiritual and physical strength provided by Almighty, without which I would not have been able to complete this work.

Finally, I cannot but mention the wholehearted support of my all-family members for having co-operated with me and helping me in achieving the completion of this research work. As they say, 'no pains no gains', so was true in my context but every endeavours was made by my family to attenuate these pains.
