It would not have been possible to write this doctoral thesis without the help and support of the kind people around me, to only some of whom it is possible to give particular mention here.

Foremost, I would like to thank the Management of SDM College, Ujjire and our benevolent Principal Dr B Yashovarma, for selecting me as a candidate for Ph.D. Research and providing necessary infrastructure and resources to accomplish my research work. I would like to express my sincere gratitude to my Research Guide Dr. M. Y. Manjula for her excellent guidance and care. Her unflinching conviction always inspired me and under her guidance I successfully overcame many difficulties and learnt a lot. I hope to continue to work with her in the future. I am also extremely indebted to Professor. J. Mahaveer, Department of Statistics, SDM College, Ujjire for his understanding, encouragement and personal attention which have provided good and smooth basis for my Ph.D. tenure. I would also like to thank Dr H.S Ashok, Associate Professor, Bangalore University for his insightful suggestions, recommendations and feedback which helped me a lot in framing the research problem and developing research design.

I gratefully acknowledge the Management of Surana College, Bangalore and Ms. Archana Surana, Managing Trustee, Surana College Bangalore for providing support and encouragement for my PhD work. I would like to express my special appreciation and thanks to Dr. Y.T Balakrishna Acharya, HOD and Professor, Department of Psychology, Surana College, Bangalore for his constant encouragement and support. His advice on both research as well as on my career have been priceless.

I would also like to thank Dr. Prakash P and Dr. Kiran Kumar, Professors of Mysore University, Dr. Elizabeth Daniel, Associate Professer, SDM College, Ujjire for providing valuable feedback and direction on my research during the pre-thesis submission colloquium. I am also thankful to Dr. Vasudha Joshi, Professor, Department of Commerce and Management, Ness Wadia College, Pune for her valuable feedback on my research work. I would also like to show my deepest appreciation to Dr Mariamma Philip, Associate Professor, Department of Biostatistics, NIMHANS, Bangalore for helping me in the statistical analysis of data.
and providing me valuable direction on writing results and discussion chapter of the thesis.

I would like to offer my special thanks to my friend Mr. Sumesh and his colleagues and associates who provided valuable suggestions for the research from a marketing perspective and helped me in identifying sample consumers. I also like to thank all the consumers who participated in this research by providing valuable information regarding their purchase behaviors with great interest and enthusiasm.

No research is possible without the Library, the center of learning resources. I take this time to express my gratitude to all the library staff of SDM College, Surana College, Bangalore, Mangalore University, IBS, Hyderabad, Calicut University and IIM Calicut.

I take this opportunity to sincerely acknowledge the Editors of SCMS Journal of Indian Management, International Journal of Management and Behavioural Sciences (IJMBS), Indian Journal of Applied Research and BizzNess for publishing my research articles in their Journals. I also sincerely acknowledge the organizers of National Conference “Marketing in Contemporary Times: Prospectus and Challenges” held at Ness Wadia College of Commerce, Pune on 9th to 11th February 2012, 5th Doctoral Thesis Conference held at IBS Hyderabad on 2nd and 3rd April 2012 and 5th International Conference of Society of Management and Behavioral Sciences held at Hotel Le Grand Haridwar on 22nd and 23rd June 2012 for providing me opportunity to present research papers related to my research.

I am also indebted to many of my colleagues and students of SDM College Ujire for providing a stimulating, inspiring and fun filled environment in my whole PhD tenure. My thanks go in particular to Ms. Kavyashree, Ms. Seemantini T.S, Ms. Vijaya R, Ms. Deepa M Rasquinha, Ms. Shalini Aiyappa, Ms. Vandana Jain, Ms. Navyashree G.C., Dr. Bineesh, Mr. Budhadeep, Ms. Manasa D, Mr. Ravishankar K.R, Dr. Parashuram, Dr. Lokesh, Dr. Yashaswini, Dr. Mary M.J, Mr. Ajith Fredjeev and Mr. Sooryanarayan. I also thank all my Colleagues and students of Surana College, Bangalore for giving me constant encouragement and support. I also take this opportunity to thank the non teaching staff of SDM College, Ujire for helping me in the research work.

This thesis is the end of my journey in obtaining my Ph.D. but is the beginning of my voyage to new landscapes of my professional heights. I have reached this level
only with the blessings of my past teachers who shaped me from the root. I take this opportunity to remember all of them and express my eternal gratitude.

I pay homage to my father Late Sudarsanan T.K who undertook great hardships to bring me to this stage. He provided me the light of education and I am greatly indebted to him for whatever I am now. I wish his soul rest in peace and solace in heaven. It is to him that I dedicate this work.

I would also like to pay high regards to my mother Ms. Chandrika M for her love, caring and moral support in all my progressive endeavors. I am also gratefully acknowledging the support of my wife Sreedevi S Eradi for her support and generous care. She was always beside me during the happy and hard moments to push me and motivate me. I also keep in mind my four year old son Nived who made me happy with his playful activities throughout my research work. This thesis is also the result of the support provided by my in-laws Mr. Sreekumaran Eradi and Jayanthi Eradi. Thank you doesn’t seem sufficient for them but it is said with appreciation and respect to both of them for their support, encouragement and care. I also thank my sister Ms. Suvarnalatha M for her support and care she rendered to me to complete this research work.

Finally, I believe that everything in this world is possible only with the divine grace of God. I am highly indebted to God for giving me this opportunity and showering his blessings throughout my research work to complete it successfully.
