ACKNOWLEDGEMENT

I submit my reverential pranamas at the lotus feet of his Holiness Dr. SreeSreeSivakumarSwamiji, President, Sree Siddaganga Education Society, SreeSiddaganga Mutt, Tumkur for his everlasting affection, blessings and constant source of inspiration in my life.

I am deeply indebted to my guide Dr. K.N. Seetharamu, Chair Professor in Thermal Engineering, Mechanical Engineering Department, P.E.S. University, Bangalore under whose initiative, valuable guidance and constant encouragement, His keen interest, logical thinking, tolerance in every shape, regular observation, kind co-operation, and constructive criticism helped throughout my research work.

I express my humble regards and gratitude to my co-guide, Dr B. Durga Prasad, Professor and Head, Department of Mechanical Engineering, J.N.T. University, Ananatapuram for his constant support and guidance in completing the research work.

I express my sincere gratitude to Dr. M.N. Channabasappa, Director, Siddaganga Institute of Technology, Tumkur for his enthusiastic encouragement and for fostering an excellent academic ambience.

I am very much grateful to Dr. Shivakumraiah, Principal, Siddaganga Institute of Technology, Tumkur for giving me an opportunity to carry out the research work and support in the Institute.

I would like to thank the staff of Department of Mechanical Engineering, Siddaganga Institute of Technology, Tumkur who have directly or indirectly helped me in completing the research work.

Words are inadequate to express my thanks to my family members for their constant encouragement during my research work.

THARAKESHWAR T.K.
