

ACKNOWLEDGEMENTS

The completion of this work could not have been accomplished without the support and blessings of the almighty that strengthened me in my difficult as well as good times.

I take this opportunity to place on record my deep sense of gratitude to **Dr. K.V.N. SURESH REDDY**, Department of Chemistry, GITAM Institute of Technology, GITAM University, Visakhapatnam, for giving me an opportunity to do the research work and providing me all support and guidance which enabled me to complete the work in time. I am extremely grateful to him for his continuous cooperation throughout my research work.

I respect and thank **Prof. N. DEVANNA**, Department of Chemistry, JNTUA College of Engineering, Jawaharlal Nehru Technological University Anantapur, Ananthapuramu, for sharing his scientific knowledge and exciting ideas till the completion of this work. I owe him my profound gratitude for providing support and guidance in spite of his busy schedule.

I am very much thankful to **Fortune Pharma, Hyderabad** for their support and encouragement during the course of my research work.

I sincerely thank **Prof. K.B. Chandra Sekhar**, Director, JNTUA-OT & PRI, Ananthapuramu and **Prof. G.V. Subba Reddy**, Vice-Principal, JNTUA College of Engineering, Pulivendula, for giving valuable suggestions during my research work.

I would like to thank **Prof. K. Ramanaidu**, Director of Evaluation and **Prof. S.V. Satyanarayana**, Director, Research and Development, JNTUA, Ananthapuramu, rendering their valuable suggestions.

I express my heartfelt thankfulness to my parents and in-laws for their ceaseless encouragement and support. I am also grateful to my wife **Chand Bi** and my children **Haaris** and **Dheeran**, for enduring the inconvenience, caused during my research work. I also want to thank my friends for making my dream come true with their full support and encouragement.
