LIST OF PUBLICATIONS AND CONFERENCES

PUBLICATIONS

NATIONAL

3. Estimation of Cr (III), Cr (VI) and organically bound CrIII species using ion exchangers & ^{51}Cr radiotracer. *Indian Journal of Chemistry*. 38 (A) : 514-517 (1999).

INTERNATIONAL

2. Studies on mobilization of chromium with reference to its plant availability - Role of organic acids. *Biometals*. (Accepted and in press).

5. Studies on chemical speciation of chromium using ion exchangers and ^{51}Cr radiotracer. *Biomedical and Environmental Sciences* (Under revision).
CONFERENCES AND SYMPOSIA

1. International symposium in Tropical Crip Research and Development. Organized by ISTCRAD at Trichur, held on Sept. 9-12 (1997).

3. Symposium on Frontiers in Biomedical Research. Organized by Dr. B.R. Ambedkar Centre for Biomedical Research at University of Delhi, held on March, 31 to April 2 (1998).

MERIT CERTIFICATE

This is to certify that

Ms. Sonal Srivastava of Sayalbagh Educational Institute participated in the Symposium on NUCAR-99 held at BARC in MUMBAI and that her paper and presentation was marked among the best of ten.

Chromium mobilization and plant availability - the impact of  
organic complexing ligands  
SRIVASTAVA/PRAKASH/SRIVASTAVA

Dear Dr Srivastava,

I am pleased to inform you that your manuscript has been accepted for publication in the journal  
Plant and Soil

Before I can pass the paper on to Manufacturing, please incorporate all corrections suggested by editor Rengel.

To date, your 'Consent to Publish & Transfer of Copyright' form has not been received. Would you please be so kind to sign the form and to return it to me. Thank you.

I am looking forward to hearing from you at your earliest convenience.

Sincerely yours,  
Kluwer Academic Publishers

Otilia Prins  
Editorial Office PLSO
Dear Dr. SRIVASTAVA,

The following checked action(s) have been taken on your ms: Mobilization

- acceptance by the reviewers w/o change. You will receive a publication assignment and a copyright form within 2 months.

XXX acceptance by reviewers, but MINOR REVISION is required. Follow authors' instructions carefully.

- conditional acceptance by reviewers. MAJOR REVISION is required. Comments are either enclosed or are on the manuscript itself. Rebut criticisms in your transmittal letter. Each revision you make in the ms must be listed in your transmittal letter. Failure to do so will result in REJECTION.

- conditional acceptance pending correction of the English grammar and syntax in this manuscript. We do NOT have a staff editor to revise manuscripts. Have someone help you with English grammar and syntax for this ms and any other manuscript you submit to BECT.

- negotiable rejection by the reviewers. Revise and resubmit to:

- non-negotiable rejection by the reviewers. The reasons for rejection are on the manuscript or are enclosed. Do not resubmit a revised manuscript to BECT. The editors wish you success in placing your manuscript elsewhere.

✓ Return an original and one clean copy of this revision. You do not need to return the edited version which was enclosed with this letter. Authors of acceptable revisions will receive a publication assignment and a copyright form within 2 months.

✓ Your revised manuscript should be returned within 30 DAYS to: H. Nigg

✓ Your manuscript number is 7045. Include this number in all correspondence.

Revisions received after 90 DAYS from the date of this letter will be treated as a new submission.

Regards,

H. N. Nigg, Ph.D.
Editor-in-Chief

HNN:rb
Dear Dr. Srivastava

Your revised paper has been accepted for publication in this Journal. Proofs and reprint request forms will be sent as soon as possible.

AUTHORS: Sonal Srivastava, et al

TITLE: Fate of trivalent chromium in presence of organic acids - a hydroponic study of the tomato plant

To Dr. Srivastava

I am pleased to inform you that your revised manuscript entitled:
"Studies on mobilization of chromium with reference to its plant availability - Role of organic acids" by Srivastava, Prakash & Srivastava
has been accepted for publication in BioMetals.
You will be contacted by the publisher as soon as the proofs are available.
Thank you for your cooperation.

Sincerely,

[Signature]

G. Winkelmann
Editor-in-Chief
Dear Dr. Sivastava,

Kindly find enclosed herewith the galley proof of your article entitled "..." which is proposed to be published in Vol. 23 (3) of the Journal.

I shall be grateful if you could kindly correct the proof and return the same to me by Regd. Post positively by .......2-8-13

The order for reprints may please be given in the reprint order form. The cost of these reprints should be remitted by MO/DD/Cash Payable to the Secretary/Treasurer Indian Society for Nuclear Techniques in Agriculture & Biology while returning the corrected Proof.

Yours sincerely,

(P. Sachdev)

Dr. M.M. Sivastava
You will be happy to note that the modified manuscript of your paper entitled "Estimation of Radiates" has been accepted for publication. It has been rendered press-ready in consultation with the referee. Since some of the changes made are major, the edited manuscript enclosed may be examined and retyped, and the retyped manuscript sent to us in duplicate along with the edited version at the earliest. You are at liberty to correct any ambiguity in the edited version. Also please pay your attention to the notings made in the edited manuscript before getting it retyped. The retyped manuscript should be checked properly before sending to us for any possible error. The proofs will be compared with the final press-ready copy received from you. The paper will be sent to the press after getting the retyped manuscript from you.

We request our collaborators to submit their manuscript for publication as electronic files, accompanied by one hard copy (paper version). The storage medium needed is floppy diskettes (3.5" or 5.25") in MS-DOS or WINDOWS format in IBM environment. The Software preferred for text is MS WORD FOR WINDOWS version 6.0 or WORD PERFECT version 5.1 or upwards. The format should be kept as simple as possible. Submission of electronic illustrations is encouraged (TIFF Files), but original illustrations would also be needed.

Thanking you and kind regards,

Yours sincerely,

(Dr S.K.Bhasin)
Editor

Title: Bio Availability of chromium: An interactive aspect.
S. Srivastava, K. Shanker, S. Prakash & M. M. Srivastava

Dear

Your attention is drawn to the point marked ( **) below with reference to your manuscript.

☐ It is scheduled for review which will take about 90 days. We will notify you of the review results within that period along with its acceptability for this Journal.

** ☐ It has been accepted for publication in this Journal and will appear in Volume............... 20(1) 1999.

☐ This manuscript is returned with a copy of reviewers' report. Please give careful consideration to the referee's comments. Also look to the comments and corrections given directly on the manuscript. Submit the revised manuscript in duplicate along with the original one. Submit explanations for the reviewers' objections or queries (if need be).

☐ I regret to say that our referees have advised us to request you to send this paper to some other Journal. I am very sorry to have to disappoint you.

☐ Please intimate how many Reprints you desire to purchase (rate chart enclosed).

I am grateful to you for kind consideration.

To,

Dr. M. M. Srivastava
