ACKNOWLEDGMENTS

First and foremost, I bow my head to the lotous feet of the Greatest Teacher of all, The Almighty God. I believe that I am here and able to write all this for a reason. I would never forget what a great fortune I had in just being here, and that it came with a lesson and responsibility. I hope that I have been able to perform all that was planned by Him for me.

At the outset, I would like to record my utmost gratitude to Prof. Rohit Shrivastav, my proficient Supervisor, for advising and guiding me from the very early stage of this research. Above all and the most needed, he provided me unflinching encouragement and support in various ways. His truly scientific intuition has made him a constant source of ideas and passions in science, which exceptionally inspired and enriched my growth as a student, researcher and scientist. I am indebted to him more than what I could convey.

I gratefully acknowledge Prof. Sahab Dass, Dept. of Chemistry, DEI, for his useful advices and crucial contributions which formed the backbone of my research and this thesis. His involvement, triggering and nourishing my intellectual maturity, will benefit me for a long time to come.

Many thanks also go to Prof. Vibha Rani Satsangi, Dept. of Physics & Computer Science, D.E.I., for taking keen interest in my work. I am much indebted for her valuable advices and useful discussions on my work.

I am particularly indebted to Prof. V. G. Das, Director, DEI; Prof. Anand Mohan, Registrar, DEI and Prof. L. D. Khemani, Head, Dept. of Chemistry, & Dean, Faculty of Science, DEI for providing necessary facilities and being a source of inspiration to me throughout.
I have to tender my humble thanks to Prof. Satya Prakash, Former Head, Dept. of Chemistry, DEI for their valuable suggestions, critical comments and ideas. I am equally thankful to the Teachers of the Dept. of Chemistry, DEI: Prof. M M Srivastava, Prof. Pankaj, Prof. Surat Kumar, Prof. K. Maharaj Kumari, Prof. Soami Piara Satsangi, Dr. Shalini Srivastava, Dr. Anita Lakhani, Dr. Radhika Singh, Dr. Maninder Meenu and Dr. Pushpa Sahni for timely support and kind words of encouragement that I received at every stage. Grateful thanks are also due to the supporting laboratory staff of the Dept. of Chemistry, DEI, and the staff of University Science Instrumentation Centre, DEI, for the great support and services.

I would be failing in my duty, if I do not express my grateful thanks to University Grants Commission, New Delhi and Council of Scientific & Industrial Research, New Delhi for providing me financial support in the form Research Fellowships during my Ph.D. work. It has been a great help and enabled me to remain focused and concentrated in the academics.

I am greatly indebted to Prof. S P Singh, Dept. of Mathematics, DEI, for encouragement and moral support in many ways during the study period.

I would like to express my heartfelt appreciation to my fellow researchers Dr. Vidhika Sharma, Ms. Nirupama Singh, Dr. Monika Chauhan, Dr. Jaya Shrivastav, Dr. Anjana Chauhan, Ms. Poonam Sharma, Mr. Sumant Upadhyay, Mr. Praveen Kumar, Mrs. Surbhi Choudhary, Ms. Babita Kumari, Ms. Shailja, Mr. Kumud Pandav, Kumar Rohit Raj, Mr. Abhishek Kardam, Dr. Mayank Verma, Mr. Mohit Sharma, Mr. Ankur Pachauri, Dr. M Khubchandani, Mr. Sumit Bansal, Ms. Sikha Goyal, Mr. P K Patnala, Ms. Roopa, Ms. Tripti Pachauri, Mrs. Aparana, Ms. Shweta Sharma, Ms. Deepika Sharma, Ms. Sgnigdha and Ms. Yogita Singhal.

How can I forget at this juncture my loving family for giving me the encouragement, moral support and will to pursue what I believed. My father, Sh. Y P S Chauhan supported and guided me whenever I went through any tough situation during the research work. Mrs. Shashi, my mother has been the constant source of love and kind
support. My heartfelt appreciation goes to my Bhaiya and Bhabhis (Mr & Mrs. Rupendra Pal Singh and Mr & Mrs. Surendra Pal Singh), for giving me strength of character to lead a righteous life. I would like to convey my love to my sweet nephews and niece (Jeet, Meet and Geet)

Last but not the least I thank all others who directly or indirectly helped me in the realization of this thesis. At the same time I express my apology for failing to mention their names here.

March, 2012

(Pushpendra Kumar)
