ACKNOWLEDGEMENT

First and fore must, I thank the Lord Almighty for his bountiful blessings which enabled me to complete my research.

I would like to express my sincere gratitude and heartfelt thanks to my guide Dr. G. Annadurai, MSc., Ph.D., JSPS Fellow (JAPAN), TANSA (TN). Associate Professor, for guiding me to choose this topic, which hasn’t been attempted by anyone or by University. It is he who motivated me preserve and achieve my goal. He not only encouraged me but also gave me liberty in perusing my research. He is a good counsellor and his inspiration paved the way to complete my research successfully. His enduring patience has made me excel in the research. He made me feel unique and competent. I owe my gratitude to him, for his valuable guidance and benevolent attention. I take immense pleasure in thanking him and for his benevolent attention for improving life carrier.

I extend a heartfelt thanks to Prof. Dr. M.G. Murugesan, Professor and Head, Dr. S.Senthil Nathan Assistant Professor, Dr. R. Sornam Assistant Professor and Dr. M. Muralidharan Assistant Professor, Sri Paramakalyani Centre for Environmental Sciences, Manonmaniam Sundaranar University, Alwarkurichi, for providing me all the facilities to carry out the present study as well as for his unstinted encouragement throughout the period of study. I would like to thank my dear friend Mr. Selvakumar for his constant support and help.

My heartfelt thanks to Dr. J. Rajesh Banu, Assistant professor, Department of Environmental Sciences and Engineering, Regional Centre, Anna University: Tirunelveli, for his encouragement and timely help in my research work.

My hearty thanks to my best friend cum colleague Er. K.S. Sakthivel M.E., Environmental Sciences and Engineering, Regional Centre, Anna University: Tirunelveli, for his unfailing support to complete my research work. I am grateful for his valuable suggestions and motivation which made me accomplish my research earlier.
I especially thank my mom **Mrs. Shantha Kanagaraj** and sister **Mrs. Shobana Milton**. I can’t find words to express the sacrifices my mom had made for us. Her unconditional love and care made me reach great goals in life. I love her so much, and I would not have made it this far without her. I also thank my Wife **Dr. Dejey**, Assistant Professor, Department of Computer Science and Engineering, Regional Centre, Anna University: Tirunelveli for her moral support and my sons **Chris Ananth** and **Cherish Jacob** who encouraged me to achieve. I love them both dearly and thank them for their support. I know I always have my family to count on when times are rough. I also thank my uncle **Dr. Frank Ratna Kumar** and Aunt **Mrs. Mekala Jeyasingh** for spending their precious time to help my studies and my cousin **Mrs. Anitha Alex John** United States. I extend my thanks to dear **Mr. Sam Arun** and his wife, who reside in Tirunelveli, in bringing the research materials from USA.

I also thank my superiors **Er. K. Selvakumar**, Superintending Engineer, **Er. T. Thamodaran**, Executive Engineer and **Er. Antony A.S.Raj**, Assistant Executive Engineer, Tirunelveli Electricity Distribution Circle, TANGEDCO by extending their full support and permitting me to do my research study.

I wish to convey my sincere thanks to **Mr. S. Selvakumar**, **Mr. Mydeen**, **Miss. M. Revathi**, **Miss. J. Udhya Chandrica**, **Mr. M. Sivakavinesan**, **Miss. M. Vanaja** Research scholars of Division of Nanoscience who helped me a lot for completing this project work.

Finally, I thank all those who have helped me directly or indirectly in the successful completion of my thesis. Anyone missed in this acknowledgement are also thanked.

**K.THILAK SYMONDS**
