ACKNOWLEDGEMENTS

I bow my head before Almighty for blessing me with strength and courage to undertake, assume and accomplish this travail assignment.

I feel highly obliged to my honourable guide Dr. Satwinderjeet Kaur, Reader, Department of Botanical and Environmental Sciences, Guru Nanak Dev University, Amritsar, who put in day and day out efforts of guidance to facilitate me to reach my goal resplendently.

It surpasses the barriers of all written words to express my extreme indebtedness and gratefulness to Dr. Renu Bhardwaj, Professor, Department of Botanical and Environmental Sciences, Guru Nanak Dev University, Amritsar, for her invaluable guidance, keen interest and immense help rendered in the successful completion of this project.

I cannot forget to extend my heartiest thanks to Dr. Saroj Arora, Head and Reader Department of Botanical and Environmental Sciences, Guru Nanak Dev University, Amritsar for providing me the necessary facilities required for my research work.

I am grateful to Dr. Bikram, Head Department of Natural Plant Products, IHBT, Palampur for providing me necessary lab facilities during my research work.

I shall oweing the debt of gratitude to Dr. Subodh Kumar, Head Department of Chemistry for his suggestive pieces of advice in course of my research work.

I am thankful to Dr. A.S Soodan, Reader Department of Botanical and Environmental Sciences, Guru Nanak Dev University, Amritsar for his help and encouragement from time to time.
I am also thankful to Prof. A.K. Thukral for his valuable suggestions during my course of research work.

I cannot overlook the help rendered by Prof. (Dr.) G.S Virk, Prof. (Dr.) Avinash Nagpal, Dr. Adarsh Pal Vig and Dr. Jatinder Kaur.

I also acknowledge the fruitful discussions rendered by research fellows and special thanks to Prabhjot Kaur, Rajbir Singh, Harpreet Walia, Hardehi Arora, Rajbir Kaur, Madhu, Indu, Isha, Rajneet, Tarunpreet, Geetanjali, Priya of the Department in the completion of this research work. I am also obliged to all those scholars and authors whose views have been used in writing up this thesis.

Above all, I shall be owing to my mother (Smt. Neelam Sondhi), father (Sh. Sushil Kumar Sondhi), my younger brother (Rohit) and Sister (Madhavi), Brother in laws (Saurabh and Rahul) by whose encouragement and moral support, I could aim at my work. The words are inadequate to express my gratitude to my In-laws. I am indebted to my husband, Dr. Sanjiv Kumar Mehta for his constant efforts, encouragement and understanding while I was working on my thesis.
