ACKNOWLEDGEMENT

I seize this unique opportunity to acknowledge my sincerest thanks and profound sense of gratitude to Dr BS Arya, Professor, Department of Agriculture Extension, JV College, Baraut and my Supervisor for his inspiration, encouragement and valuable suggestions evinced during the conduct of this study and the preparation of this manuscript.

I extend my hearty thanks to Prof PK Khusla, Senior Technical Advisor (Biotechnology), Govt of India, HP and former Vice-Chancellor of HPKV; Dr BS Hansra, ADG, Agric Extension, ICAR, New Delhi, Prof LR Verma and Prof MR Thakur, former Vice-Chancellors, Dr YS Parmar University of Horticulture and Forestry and Dr SK Sharma, Retired Professor for their keen interest and timely suggestions.

I feel highly indebted to my friends Dr OP Sharma, Dr Jitender, Dr Prem Lal, Dr Mohinder, Dr Narain, Dr Kuldeep, Dr Rajesh and Mr Rajkumar for their valuable help as and when demanded.

Above all, advice, moral support and ever encouragement received from my parents, wife and kids, brothers and sisters and in-laws is unforgettable.

Dated: (Rakesh Gupta)
