## **CERTIFICATE**

This is to certify that the thesis entitled, "**Effect of nitrogen and sulphur fertilization on growth, yield and quality of mustard [*Brassica juncea* (L.) Czern and Coss] Varieties**" is a record of bonafide research work carried out by **Sri Ashok Kumar** under my guidance and supervision and that no part of this thesis has been submitted for the award of any other degree.

This embodies the work of the candidate himself. He has worked for more than 360 days with me during the course of this investigation. He has submitted six monthly reports regularly. The assistance and help received during this period have been fully acknowledged.
